## ARTICLE 2 ASSOCIATION

Section 2.1 Membership in the Association. Each Owner (including Declarant) of a Lot, by virtue of being an Owner, shall automatically be a Member of the Association. Developer shall also be deemed a Member of the Association. Membership in the Association shall be appurtenant to each Lot owned and shall not be transferred, pledged, or alienated in any way, except upon the transfer of ownership to a Lot, and then only to the transferee thereof. Any transfer of ownership of a Lot shall operate automatically to transfer the membership associated therewith to the new Owner thereof. Any attempted transfer of membership separate from the appurtenant Lot or Lots shall be void.

Section 2.2 Voting Rights and Classes of Membership. The Association shall have two classes of voting membership.

Class A: Class A Members shall be all Owners other than Declarant and Developer (until the conversion of the Class B Membership to Class A membership) and each such Owner shall be entitled to one vote for each Lot owned. When more than one Person holds an interest in any Lot, all such Persons shall be Members. The vote for such Lot shall be exercised as the Owners may determine, but in no event shall more than one (1) vote be cast with respect to any Lot owned by a Class A Member. If more than one vote is so cast, Declarant may elect to recognize any one of such votes. In the absence of such election, all votes relating to such Member shall be disregarded.

Class B: The Class B Members shall be Declarant and Developer, who shall be entitled to three (3) memberships and three (3) votes for each Lot owned. So long as the Class B Membership is outstanding, Declarant shall have the sole and exclusive right appoint all Directors of the Association and to cast all votes of the Developer. Developer shall promptly execute any and all additional documents, instruments or writings requested by Declarant in furtherance thereof. The Class B Membership shall cease and be converted to Class A membership on the happening of the earliest of the following events:

(A) Ninety (90) days after such time, if ever, that Declarant, while owning any Lot or Lots, should in writing relinquish its Class B Membership with respect thereto; or

(B) December 31, 2040.

For purposes of the foregoing, and any applicable provision hereof, or of any law, rule or regulation, the period of the Class B Membership, and the period hereunder during which Declarant reserves the right to appoint the Directors of the Association, shall be deemed a period of Declarant control ("**Declarant Control Period**"). If after Declarant no longer owns any Lot, or after Declarant has relinquished its Class B Membership, the Annexable Property is annexed under the purview hereof, the Class B Membership shall revive as to all Lots owned by Declarant.

Any Mortgagee who acquires title to a Lot pursuant to a judgment of foreclosure or a trustee's sale shall automatically become entitled to exercise all voting rights which the Owner of said Lot would otherwise have had.

If any lender to whom Declarant has assigned, or hereafter assigns, as security all or substantially all of its rights under this Declaration should succeed to the interest of the Declarant by virtue of said assignment, the absolute voting rights of the Declarant as provided herein shall not be terminated thereby, and such lender, or successor to such lender by assignment or foreclosure or acceptance of a deed in lieu thereof, shall hold Declarant's memberships and voting rights on the same terms as they were held by Declarant.

Section 2.3 Purpose of Association. The Association is a non-profit corporation which serves as the governing body for all Owners and Members for the protection, improvement, alteration, maintenance, repair, replacement, administration and operation of the

Areas of Association Responsibility and any other areas for which the Association is responsible under the terms of this Declaration or otherwise; the assessment of expenses; payment of losses; disposition of casualty insurance proceeds; and other matters as provided in this Declaration, the Articles, the Bylaws, and the Rules. The Association shall not be deemed to be conducting a business of any kind. All funds received by the Association shall be held and applied by it for the Owners and Members in accordance with the provisions of this Declaration, the Articles and the Bylaws.

Section 2.4 Rights and Responsibilities of Association. The Association, through the Board of Directors, unless specifically provided otherwise, shall have the right of enforcement of all of the provisions hereof. The Association shall have the right, but not the obligation, to enter upon any drainage easements shown on the Plat to landscape or maintain same and shall be responsible for the proper and efficient management and operation of the Areas of Association Responsibility and any other areas for which it is responsible under the terms of this Declaration or for which it has assumed responsibility. The Association's responsibilities shall include:

(A) maintaining, operating, and rebuilding improvements on the Areas of Association Responsibility;

(B) maintaining and landscaping property owned or controlled by the Association, including private roads, paths, and easement rights, if any;

(C) maintaining the exterior visible surface of any Perimeter Wall (as further set forth herein);

(D) operating, maintaining, rebuilding and insuring improvements originally constructed by Declarant or Developer or later constructed by the Association on the Areas of Association Responsibility;

(E) paying real estate taxes, assessments and other charges on the Areas of Association Responsibility, if any;

(F) insuring all improvements which the Association is obligated to maintain against damage by casualty with such companies and in such limits as provided herein and as the Association deems appropriate;

(G) hiring, firing, supervising and paying employees and independent contractors including, but not limited to, workmen, landscapers, attorneys, accountants, architects and contractors to carry out the obligations set forth herein;

(H) maintaining such liability insurance as the Association deems necessary to protect the members and the Board from any liability caused by occurrences or happenings on or about the Areas of Association Responsibility;

(I) maintaining workmen's compensation insurance for the employees of the Association;

(J) purchasing all goods, supplies, labor and services reasonably necessary for the performance of the obligations set forth herein;

(K) establishing and maintaining such adequate cash reserves as the Association may, in its sole and absolute discretion, deem reasonably necessary for the periodic maintenance, repair and replacement of the improvements which it is responsible to maintain;

(L) providing for and payment of all utility services for the Areas of Association Responsibility if deemed appropriate by the Board;

(M) entering into such agreements and taking such actions as are reasonably necessary and convenient for the accomplishment of the obligations set forth above and the operation and maintenance of the Properties as a first-class, residential development;

(N) granting licenses, easements and other agreements for the use of Common Area;

(O) maintaining any personal property owned by the Association;

(P) giving the notice required to be sent to any prospective purchaser pursuant to Section 12.10;

(Q) notwithstanding anything to the contrary contained in this Declaration, the Association may enter into or affirm the Access Agreement referenced in the Annexation Declaration and shall take all actions reasonable or appropriate in connection with the administration of such Access Agreement; and

(R) such other matters as are provided for in this Declaration, the Articles, the Bylaws, or as the Association deems proper and is therein authorized to do.

Section 2.5 Entryway Monuments. The Association may acquire and maintain easement areas, or parcels of land in fee, on or within one or more Lots at the entrances to the Properties for purposes of erecting, maintaining and repairing gates, turn-around areas, landscaping, lighting and other improvements, and may treat such areas as an adjunct to Common Area, and may include all expense relating thereto in the assessments levied and collected, including the Annual Assessments of the Association. Declarant may cause easements or other interests in the Lots to be conveyed to the Association in connection therewith.

Section 2.6 Shared Greasewood Entrance. All Owners acknowledge that they or the Association may under certain circumstances, by virtue of existing binding commitments, including as referenced in the Annexation Declaration, be required to negotiate, in good faith with "Master Developer" (as defined in such Annexation Declaration) the terms of an access and use agreement (the "Greasewood Access Agreement"). The Greasewood Access Agreement is further referred in the Master Declaration. In event the determination is made that such Greasewood Access Agreement must be negotiated, executed and recorded, then so long as Declarant or Developer owns any of the Properties, Declarant or Developer shall have the exclusive right, at its sole option, to negotiate the terms of same on behalf of the Association.

The Association shall then execute same as negotiated by Declarant or Developer, and the terms thereof shall be binding on the Association and the Properties.

Section 2.7 Articles and Bylaws. The manner in which the Association holds meetings and attends to other corporate formalities shall be controlled by the provisions of the Bylaws, the Articles and this Declaration, which Declaration shall control in the event of conflict.

Section 2.8 Board of Directors. The Board of Directors shall be elected by majority vote of the total votes cast by both classes of the membership at a meeting attended by a quorum as called for by the Bylaws, except that during the Declarant Control Period, or for so long as Declarant retains the Class B Membership or owns any Lot, Declarant reserves the exclusive right to appoint the Directors who shall serve on the Board and the officers of the Association and may do so without calling a meeting of members.

Section 2.9 Transition to Board. Prior to the time that the operations of the Association are turned over to the Members by the Declarant, the Members shall be required by February 15 of each year to report and submit to the Association, in writing, any claims or disputes with regard to the operations of the Association by the Developer or Declarant, during the immediately preceding calendar year, including the maintenance of any private streets, roads, sidewalks, street signs, walls, fences, landscape or other improvements originally constructed by Developer or Declarant or the collection of assessments, maintenance and reserve accounts and other matters falling within the realm of responsibility of the Association.

When the operations of the Association are turned over to the Members by the Declarant, the Declarant shall deliver all corporate books and accounting records to the Members at the Association's offices. Upon receipt of the corporate books, accounting records and written notice of Declarant's intent to turn over the operations of the Association, the Members shall notify Declarant in writing within forty-five (45) days of any claims or disputes with regard to the operations of the Association by the Declarant or Developer which have arisen subsequent to December 31 of the preceding year, including the maintenance of any private streets, roads, sidewalks, street signs, walls, fences, landscape or any other improvements, to the extent applicable, originally constructed by Developer or Declarant or the collection of assessments, maintenance of reserve accounts and other matters falling within the realm of responsibility of the Association.

In the event that such claims or disputes are not presented in writing to the Declarant within the time periods set forth above, such claims and disputes, whether against Declarant or Developer, shall be deemed forever waived, relinquished and abandoned.

Section 2.10 Rules and Regulations of the Association. The Board shall be empowered to adopt, amend or repeal such rules and regulations as it deems reasonable and appropriate (collectively the "Rules"), which shall be binding upon all Persons subject to this Declaration and shall govern the use and/or occupancy of the Properties. The Rules may include the establishment of a system of fines and penalties for violation of the Rules, which shall be levied only after the offending Owner has been given notice and an opportunity to be heard in accordance with the terms of the Bylaws of the Association. The Rules shall govern such

matters as the Board deems to be in furtherance of the purposes of the Association, including, without limitation, the use of the Areas of Association Responsibility. The Rules may be amended at any special or regular meeting of the Board.

The Rules are deemed incorporated herein by this reference and shall have the same force and effect as if they were set forth in and were part of this Declaration and shall be binding upon all Persons having any interest in, or making any use of, any part of the Properties, whether or not copies of the Rules are actually received by such Persons. References to the covenants and restrictions contained herein shall be deemed to refer also to the Rules (except to the extent the rules are in conflict herewith). The Rules, as adopted, amended or repealed, shall be available for review at the principal office of the Association to each Person reasonably entitled thereto. It shall be the responsibility of each Person subject to the Rules to review and keep abreast of any changes in the provisions thereof. In the event of any conflict between any provision of the Rules and any provisions of this Declaration, or the Articles or Bylaws, the provisions of the Rules shall be deemed to be superseded by the provisions of this Declaration, the Articles or Bylaws to the extent of any such conflict.

Section 2.11 Non-Liability of Officials and Indemnification. To the fullest extent permitted by law, neither Declarant, Developer, the Board, nor any committees of the Association nor any member thereof, nor any officers, directors or employees of the Declarant, Developer or of the Association, shall be liable to any Owner or to the Association or any other Person for any damage, loss or prejudice suffered or claimed on account of any decision, course of action, act, inaction, omission, error, negligence or the like made in good faith and which Declarant, Developer, the Board or such committees or officers reasonably believed to be within the scope of their respective duties or rights.

To the fullest extent permitted by law, Declarant, Developer and every director, officer or committee member of the Association, Developer and the Declarant (to the extent a claim may be brought by reason of Declarant's appointment, removal or control over members of the Board or its control over the Association or any committee thereof) shall be indemnified by the Association. Every other Person serving as an employee or direct agent of the Association, or otherwise acting on behalf of, and at the request of, the Association, may, in the discretion of the Board, be indemnified by the Association.

Any such indemnification shall be limited to all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed upon such Person in connection with any proceeding to which he may be a party or in which he may become involved, by reason of his being or having served in such capacity on behalf of the Association (or in the case of Declarant by reason of having appointed, removed, controlled or failed to control members of the Board, or controlled or failed to control the Association), or incurred in any settlement thereof, whether or not he is a director, officer or member of a committee or serving in such other specified capacity at the time such expenses are incurred.

Section 2.12 Managing Agent. All powers, duties and rights of the Association or the Board, as provided by law and herein, may be delegated to a managing agent under a management agreement; provided, however, that no such delegation shall relieve the Association of its obligation to perform any such delegated duty. Any agreement for professional

management shall not exceed a term of one year, which term may be renewed by agreement of the parties for successive one-year periods. Any such agreement shall provide for termination by either party with or without cause and without payment of a termination fee upon ninety (90) days' written notice; provided, however, that the Association may terminate the agreement for cause upon thirty (30) days' written notice. The Association is expressly authorized to contract with Declarant or Developer or an affiliate of Declarant or Developer, to provide management services or to perform other duties of the Association or the Board.

Section 2.13 Records and Accounting. The Association shall keep, or cause to be kept, true and correct books and records of account at the sole cost and expense of the Association in accordance with generally accepted accounting principles. Such books and records, together with current copies of this Declaration, the Articles, Bylaws and Rules shall be available for inspection by all Owners and First Mortgagees of record at reasonable times during regular business hours.

Each Owner, however, shall be solely responsible to maintain, repair, rebuild and keep in good condition the structural components of any Perimeter Wall on or adjacent to such Owner's Lot, and shall maintain the interior facing surface.

(E) Failure to Maintain. Such maintenance, repair and repainting of a Dwelling Unit and other improvements on a Lot shall be undertaken in a manner and with such

frequency as shall keep each Owner's Lot in an attractive, well-kept and maintained condition in conformity with all other Lots. The cost of such exterior maintenance shall be added to and become part of the assessment to which such Lot is subject. The Board shall have the right to determine whether or not a Lot is in need of maintenance, repair and upkeep in order to conform to the standards of the general neighborhood of the Properties and the Board shall use a reasonably high standard to determine whether such maintenance, repair and upkeep is required so that the Lots as a whole will reflect a high pride of ownership.

(F) Easement for Maintenance. Each Owner or his authorized agent, in order to conduct such maintenance, repair or repainting, shall have the right of entry at reasonable times upon Lots adjacent to such Owner's Lot, provided reasonable notice of such entry is first given by such Owner to the Owner of the involved adjacent Lot. The Association shall have a right of entry and an easement upon each Lot for the purpose of fulfilling its responsibilities hereunder.

Section 3.2 Maintenance of Areas of Association Responsibility. The Association shall be responsible for maintenance, repair and upkeep of any Common Area improvements including, but not limited to, curb line sidewalks, Common Area sidewalks or paths, landscaping, common trash/garbage collection areas, park benches, barbeque areas, and parking areas, if any. The Association shall also be responsible for maintaining the exterior visible surface of all Perimeter Walls (i.e., the outside face visible from outside and beyond the rear yards of Lots), such as by painting or removal of graffiti; it being understood that the Association's duty is limited solely to the maintenance of the aesthetic appearance of the exterior surface of Perimeter Walls. If a Greasewood Access Agreement is executed, as referenced in Section 2.6 below, the Association shall administer the terms of such Greasewood Access Agreement. If the Owner of Lot containing a NUOS or Natural Undisturbed Open Space area disturbs the natural condition of such NUOS areas or fails to periodically remove trash or buffleggrass from such NUOS areas as required by this Declaration, the Association shall have the right to enter upon such Owner's NUOS area and remove the trash or buffleggrass at the cost and expense of the Owner. All sums expended by the Association in such regard shall, if not repaid within (10) days of demand therefor by the Association will be included within an Individual Assessment against such Owner. The Association is hereby granted an easement over all NUOS areas to confirm compliance with all NUOS requirements and to take such remedial action as may be necessary in accordance with this Agreement or as otherwise required by law.

Section 3.3 Drainage and Retention/Detention Facilities.

(A) Maintenance. The Association shall operate, maintain, repair and replace, and shall be liable for, any drainage and retention/detention facilities installed by Declarant, Developer, or the Association within the Common Areas or drainage easements shown on the Plat.

(B) Inspection Report. The Association shall, at least once each year, have prepared, by an Arizona Registered Professional Civil Engineer, a certified inspection report for all such drainage and retention/detention facilities stating:

1. Either that no maintenance work is needed at that time, or a list of repairs and work to be done to correct deficiencies, to avoid potential problems and/or to restore aesthetics. The Association shall perform the repairs and work required to correct the deficiencies reflected in such inspection report for all such drainage and retention/detention facilities. The report shall conform to the City's required Maintenance Checklist, a current copy of which is attached hereto as Exhibit "A". This work shall be followed with a letter written by a registered Professional Civil Engineer verifying that the recommended work has been satisfactorily completed. The engineer shall notify the City Engineer in writing should safety related maintenance not be completed within a reasonable period of time; and

2. The engineer shall notify the City Engineer in writing should safety related maintenance not be completed within a reasonable period of time. A statement indicating that either: (1) watershed conditions have not changed since the previous inspection report; or (2) specific changes have occurred which alter or eliminate some of the design features and therefore affect the level of service of the drainage and retention systems. In addition, the City Engineer is to be immediately notified in writing if watershed conditions no longer satisfy the requirements of the City Floodplain Regulations.

The Association shall keep such reports on file, available for review by the City upon written request, and shall notify the City Engineer if a report indicates that watershed conditions have changed to the extent that the drainage and retention/detention system no longer satisfies the requirements of the Floodplain Regulations in Tucson, Arizona.

(C) City Inspection and Maintenance. The City shall have an easement, as set forth in Section 8.2, to periodically inspect any such drainage and retention/detention facilities within the Properties to verify that scheduled and unscheduled maintenance activities are being performed adequately, and to operate, maintain, repair or replace same if the City determines that the Association's maintenance is inadequate and the Association has failed to take corrective measures within a reasonable period of time. The Association shall reimburse the City, as applicable, for any costs or expenses incurred by the City in conducting such maintenance or repair.

(D) Scope of Provision. The obligations of the Association under this Section 3.3 are expressly limited to drainage facilities and retention and detention basins within the Properties which were built by the Developer in the course of initial construction of the project, including certain facilities located within the boundaries of the Lots, both within and outside the slope and drainage easement areas specifically shown on the Plat. The obligations of the Association do not include any other drainage facilities, improvements or features. Without limitation, the Association's responsibilities do not extend to general drainage issues, sheet flows, stormwater outside the facilities constructed by Declarant or by Developer, or facilities which are not shown on those certain Roadway Plans for Starr Pass Vistas Village 2, Project DP16-0182 as approved by the City of Tucson. Nothing herein, however, purports to relieve the Association from its duty to maintain all facilities located on Common Area.

## ARTICLE 4 INSURANCE

Section 4.1 Association's Insurance Requirements. The Association shall purchase and maintain at all times the following types of insurance, but only to the extent reasonably available and reasonably priced:

(A) Commercial General Liability and Property Insurance. Commercial general liability insurance covering bodily injury and property damage liability insurance covering all Common Area maintained by the Association, if any, and all other areas under the jurisdiction or control of the Association, excluding the Lots. Such insurance policy or policies shall contain, if available, a "severability of interest" clause or endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association or of any other Owners.

The scope of coverage of such policy or policies must include all other coverage in the kinds and amounts commonly required by private institutional mortgage investors for projects similar in construction, location and use to the Properties. Coverage shall be for at least one million dollars (\$1,000,000.00) combined single limit.

Such coverage shall include, without limitation, legal liability of the insureds for property damage, bodily injuries, and deaths of Persons in connection with the operation, maintenance, or use of the Common Area maintained by the Association; legal liability arising out of lawsuits related to employment contracts of the Association; and protection against liability for non-owned and hired automobiles; such coverage may also include, if applicable, garagekeeper's liability, liability for property of others, host liquor liability, water damage liability, contractual liability, workmen's compensation insurance for employees of the Association, and such other risks as shall customarily be covered with respect to projects similar in construction, location and use.

(B) Insurance of Areas of Association Responsibility. Fire and other hazard insurance covering improvements constructed on the Common Area. Such policy or policies shall consist, at a minimum, of a multi-peril type policy covering the subject improvements, providing, as a minimum, fire and extended coverage and all other coverage in the kinds and amounts commonly required by private institutional mortgage lenders in Tucson, Arizona.

Such policies of property insurance shall contain a "Replacement Cost Endorsement" providing that any claim shall be settled on a full replacement cost basis without deduction for depreciation, an "Inflation Guard Endorsement" and an "Agreed Amount Endorsement," if possible. The Association shall also purchase a "Demolition Endorsement", an "Increased Cost of Construction Endorsement", a "Contingent Liability from Operation of Building Laws Endorsement" or the equivalent, and coverage on personal property owned by the Association.

If the Common Area or any portion thereof is located within an area identified by the Federal Emergency Management Agency as having special flood hazards, and flood insurance coverage or improvements on the Common Area has been made available under the National Flood Insurance Program, then such a policy of flood insurance shall, if deemed necessary by the

Board, be obtained on the Common Area in an amount at least equal to the lesser of:

1. the maximum coverage available under the National Flood Insurance Program for all buildings and other insurable property located within a designated flood hazard area; or

2. one hundred percent (100%) of current replacement cost of all buildings and other insurable property located within a designated flood hazard area.

(C) Worker's Compensation Insurance. Worker's Compensation insurance to the extent necessary to comply with any applicable laws.

(D) Fidelity Insurance. Fidelity coverage against dishonest acts on the part of directors, officers, managers, trustees, employees, or volunteers responsible for handling funds belonging to or administered by the Association. Such fidelity bonds or insurance shall name the Association as the named insured and shall be written in an amount sufficient to provide protection, that is, in no event, less than one and one-half times the insured's estimated annual operating expenses and reserves, and provide for at least thirty (30) days' notice to the Association before cancellation or substantial modification thereof. In connection with such coverage, an appropriate endorsement to the policy to cover any Persons who serve without compensation shall be added, if the policy would not otherwise cover volunteers.

(E) Exceptions. The foregoing insurance and endorsements shall be maintained only to the extent available and reasonably priced and, without limitation, the Board of Directors may elect to dispense with certain endorsements if, in the discretion of the Board of Directors, it is determined that the cost of such endorsements is excessive or the coverage not reasonably available.

Section 4.2 Waiver of Subrogation: Claims Against Declarant, etc.. Every policy of insurance obtained by the Association shall contain an express waiver, if available, of any and all rights of subrogation against Declarant, Developer, the Board and such other Persons affiliated with the Association such as a manager and its representatives, members and employees and a provision, if available, preventing any cancellation or modification thereof, except upon at least thirty (30) days' written notice to the insureds.

Liability insurance hereinabove specified shall name as separately protected insureds Declarant, Developer, the Association, the Board and such other Persons affiliated with the Association such as a manager and its representatives, members and employees as their interest may appear with respect to any liability arising out of the maintenance or use of any insured property.

To the extent that each such policy will not be voided or impaired thereby, the Association hereby waives and releases all claims against the Declarant, the Board, the Developer and such other Persons named in said insurance policies, and against the agents and employees of each of the foregoing, with respect to any loss covered by such insurance, whether or not caused by negligence or breach of any agreement by said Persons, but only to the extent that insurance proceeds are received in compensation for such loss.

Section 4.3 Association's Insurance Premiums a Common Expense. Premiums for insurance purchased or obtained by the Association shall be a common expense payable through assessments of Lots and all such insurance coverage obtained by the Board shall be written in the name of the Association.

Section 4.4 Insurance by Owner.

(A) Insurance on Areas of Association Responsibility. In addition to the aforesaid insurance required to be carried by the Association, each Owner shall, at his own expense, carry any other insurance on the common area deemed advisable; however, if available, said policy or policies shall provide that there shall be no contribution or offset between policies of the Association and policies an individual Owner may have in effect.

(B) Insurance for Residences and Lots. All Owners shall at their own expense obtain insurance for their Dwelling Units and Lots, insuring against fire, accident and casualty, which insurance shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction work in the event of any such loss or losses.

(C) Use of Insurance Proceeds. In the event of damage or destruction by fire or other casualty to any Dwelling Unit, Lot or other property covered by insurance written in the name of an individual Owner, said Owner shall use any insurance proceeds for the repair of the damaged property.

Section 4.5 Condemnation or Destruction of the Common Area.

(A) Condemnation.

1. Taking. The term "taking", as used in this Section, shall mean either (a) condemnation by eminent domain or (b) sale under threat of condemnation.

2. Authority of Board. In the event of a threatened taking of all or any portion of the Common Area, the Members hereby appoint the Board and such Persons as the Board or the Association may designate to represent all of the Owners in connection with the taking. The Board shall act in its sole discretion with respect to any awards being made in connection with the taking and shall be entitled to make a voluntary sale to the condemnor in lieu of engaging in a condemnation action.

3. Partial Taking. In the event of a taking of less than all of the Common Area, the rules as to restoration and replacement of the Common Area and the improvements thereon shall apply as in the case of destruction of improvements upon the Common Area as provided in Section 4.5(B).

4. Distribution of Proceeds. Any awards received on account of the taking shall be paid to the Association and to mortgagees of record, as their interests may appear. In the event of a total taking, the Board may retain any award in the general funds of the Association, and any distribution of the award shall be on a reasonable and equitable basis. Notwithstanding anything to the contrary in this Section, the distribution of any award or awards

for a taking of all or any portion of the Common Area shall be subject to the prior rights of mortgagees.

(B) Destruction.

1. Duty of Association. In the event of a partial or total destruction of the Common Area or improvements thereon, except as otherwise provided herein, it shall be the duty of the Association to restore and repair the same to its former condition as promptly as is practicable and in a workmanlike manner. The proceeds of any insurance maintained pursuant hereto shall be used for such purpose, subject to the prior rights of mortgagees whose interests may be protected by said policies.

2. Destruction; Proceeds Exceed 80% of Reconstruction Costs. If the amount available from the proceeds of such insurance policies for such restoration and repair is at least eighty percent (80%) of the estimated costs of restoration and repair, a special assessment for reconstruction with each Owner contributing a like sum for each Lot owned, may be levied by the Association to provide the necessary funds for such reconstruction and repair, over and above the amount of any insurance proceeds available for such purpose, and such assessment shall not require the consent of any specified proportion of the Members.

3. Destruction; Proceeds Less Than 80% of Reconstruction Costs. If the amount available from the proceeds of such insurance policies for such restoration and repair is less than eighty percent (80%) of the estimated cost of restoration and repair, the improvements shall not be replaced or restored through application of a special assessment unless such assessment is approved by the vote or written consent of two-thirds (2/3) of each Class of Members. In the event of a determination not to replace or restore the improvements on the Common Area, the Common Area shall be cleared and landscaped as open space to be used by the Owners pursuant to the provisions hereof, and the costs thereof shall be paid for with the insurance proceeds, and any deficiency may be raised by the levy of uniform special assessment for reconstruction in an amount determined by the Board.

4. Use of Hazard Proceeds. Notwithstanding the foregoing, unless the Owners of at least two-thirds (2/3) of the Lots other than Declarant, and the holders of two-thirds (2/3) of the First Mortgages, have given their prior written approval, the Association shall not be entitled to use hazard proceeds for losses to any Common Area for other than the repair, replacement or reconstruction of such improvements.

Section 4.6 Mortgagee Priority. In the event of substantial damage or destruction of any part of the Common Area or a Lot, no Owner of a Lot or other party shall have priority over a First Mortgagee with respect to the distribution of any insurance proceeds.

**ARTICLE 5  
OWNERSHIP AND USE OF THE COMMON AREA**

Section 5.1 Owner's Easements of Enjoyment. Every Owner shall have a right and easement of enjoyment in and to the Common Area which shall be appurtenant to and shall pass with title to every Lot, subject to the provisions hereof.

Section 5.2 Conditional Use of Common Area. Each Owner, his family, licensees, invitees and tenants or lessees, or contract purchasers of a Lot shall be entitled to use the Common Area subject to:

(A) The provisions of the Articles, Bylaws, this Declaration and the Rules. Each Owner, invitee, licensee, and tenant agrees that in using the Common Area he will comply with the provisions of such Articles, Bylaws, this Declaration, and the Rules.

(B) The right of the Association to charge a reasonable security deposit and clean-up fee for the use of any facility situated upon the Common Area.

(C) The right of the Association to suspend the right of an Owner to use facilities, if any, of the Common Area for a period not to exceed fifty (50) days for any infraction of this Declaration or the Association's published Rules. Each day an infraction continues to exist is to be deemed a separate infraction. Notwithstanding anything to the contrary contained in this Declaration, however, the Association shall have no right to suspend an Owner's right to utilize private roadways to gain access to such Owner's Lot.

(D) The right of the Association to take such steps as are reasonably necessary to protect the Common Area against foreclosure.

(E) The right of the Association, in connection with any adopted Rules, to enforce reasonable rules and regulations with respect to the use of the Common Area, including specific provisions with respect to the parking of vehicles thereon.

(F) The right of the Declarant to modify or resubdivide the Common Area, or install or construct improvements thereon, and any other rights reserved by the Declarant or Developer hereunder.

Section 5.3 Delegation of Use. Any Owner may delegate his right of enjoyment in the Common Area and facilities to the members of his family, his tenants or lessees or contract purchasers who reside in the Dwelling Unit, subject to such Rules as the Association may, from time to time, establish. Such delegation shall not relieve said Owner of his obligations and responsibilities as a Member under the Bylaws, Rules and this Declaration.

Section 5.4 Damage or Destruction of Common Area. In the event any Common Area is damaged or destroyed by a willful or grossly negligent act of an Owner or any of his guests, tenants, licensees, agents, or members of his family, such Owner shall be liable therefor to the extent of liability imposed by local law and such Owner does hereby irrevocably authorize the Association to repair the damaged property, and the Association shall so repair the damaged property in good workmanlike manner in substantial conformance with the original plans and specifications. The Owner shall then repay the Association the amount actually expended for such repairs. Each Owner further agrees that these charges for repairs, if not paid within ten (10) days after completion of the work, shall be delinquent and shall become a lien upon such Owner's Lot and shall continue to be a lien until fully paid. The lien shall be subordinate to any First Mortgage or encumbrance on the subject property. Said charges shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per annum (but not to exceed the maximum rate permitted by Arizona law). The amount of principal and interest owed by the

Owner to the Association shall be a debt, and shall be collectible by any lawful procedure allowed by the laws of the State of Arizona.

Section 5.5 Restriction on Conveyance of Common Areas and Facilities. Subject to the express reservations by Declarant set forth herein, including Section 5.2(F), the Common Area and facilities owned by the Association may not by act or omission be abandoned, partitioned, subdivided, encumbered, sold or transferred without the prior written approval of two-thirds (2/3) of each Class of voting members of the Association, except that the Declarant and the Association shall have the right at all times to grant easements over the Common Area for the purpose of constructing, erecting, operating or maintaining thereon, therein and thereunder: a) roads, streets, walks, pathways and driveways; b) temporary overhead or permanent underground lines, cables, wires, conduits or other devices for the transmission of electricity for lights, heating, power, telephone, cable TV and other purposes; c) sewers, storm drains and pipes, drainage easements, water systems, water heating and gas lines or pipes; and d) such other improvements as may be provided for in this Declaration or be deemed advisable in the sole discretion of the Board of Directors. Any portion of the Common Area conveyed by the Association to another party shall, after such conveyance, be free of the restrictions and easements hereunder that are peculiar to Common Area as such, but shall continue to be subject to an easement for ingress and egress to and from any residence, access to which is normally gained over such conveyed property. Notwithstanding anything to the contrary contained anywhere in this Declaration, Declarant reserves the right to enter into or cause the Association to enter into an Access Agreement as contemplated in the Annexation Declaration, and following the creation of such agreement, the Association shall take all steps necessary or appropriate to administer the agreed upon terms thereof. At such time as Declarant no longer owns any of the Properties, a right is reserved to permit the Association to enter into and thereafter administer such Access Agreement.

## ARTICLE 6 COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 6.1 Creation of the Lien and Personal Obligation to Pay Assessments. Each Owner, by acceptance of a deed to any Lot, whether or not it shall be so expressed in such deed, agrees and is deemed to covenant and agree to pay to the Association: (1) Annual Assessments or charges, (2) Special Assessments for capital improvements, (3) Individual Assessments pursuant to Section 6.6, and (4) Area Assessments pursuant to Section 6.7 hereof. Any and all assessments levied against a Lot, together with interest thereon from the date of delinquency until paid, and all costs of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorneys' fees, shall, to the extent permitted by law, be a continuing lien upon the Lot.

Delinquent assessments, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the Person who was the Owner of such Lot at the time when the assessment was levied. The personal obligation for delinquent assessments shall not pass to successors in title unless expressly assumed by them. The sale or transfer of a Lot shall not relieve the prior Owner thereof from personal liability to pay delinquent assessments, plus interest, costs and attorneys' fees. Such obligation shall remain the personal obligation of the defaulting Owner. The new Owner, except a First Mortgagee as set forth herein, shall take title

to such Lot subject to the lien of the full amount of the delinquent assessment.

No assessments described herein or levied by the Association shall apply to the Annexable Property unless and until annexed.

Section 6.2 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the Members and their guests, for the improvement and maintenance of the Areas of Association Responsibility, including Common Areas, and for all purposes set forth in the Articles, Bylaws and this Declaration. The Board may provide that assessments include a reserve fund for maintenance, repairs and replacement of those elements of the Areas of Association Responsibility owned by the Association.

Section 6.3 Annual Assessment Amount. The Board shall each year estimate the total expenses anticipated for the coming year and shall determine the necessary level of reserve balances for ordinary and unexpected expenses, and shall determine the annual assessment necessary to generate the required revenues. The annual assessment (“**Annual Assessment**”) determined to be necessary in any given year may, subject to provisions at law, be set at any amount permitted for such year as set forth in Section 6.4. The Annual Assessment shall take into account the total expenses anticipated which benefit all Lots, and distinguish such expenses from Area Expenses and other expenses incurred or to be incurred and recouped by Area Assessments or Individual Assessments.

Section 6.4 Annual Assessment.

(A) Initial Annual Assessment. Annual Assessments shall commence as provided below, and shall be determined by the Board in accordance with a budget for maintenance and other improvements to be maintained pursuant to this Declaration.

(B) Increases in Annual Assessment. Subject to Section 6.4(C), the Board shall not, in any given year, increase the Annual Assessment by an amount greater than twenty percent (20%) of the amount of the preceding year’s Annual Assessment.

(C) Approval of Membership. Any increase by the Board in the Annual Assessment which is greater than the amount permitted under Section 6.4(B) hereof must be first approved by members holding at least a majority of the votes which may be cast by members at a meeting of members at which a quorum of members is present, unless a greater percentage vote of members is required by law.

Section 6.5 Special Assessment for Capital Improvements. In addition to the Annual Assessments, Area Assessments and Individual Assessments authorized herein, the Association may levy, in any assessment year, a special assessment (“**Special Assessment**”) applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement of Areas of Association Responsibility or Common Area (if any), including fixtures and personal property related thereto, provided that any such Special Assessment shall have the assent of the holders of two-thirds (2/3) of the votes of each Class of Members who vote in person or by absentee ballot or, to the extent permitted by law, by proxy, at a meeting called for this purpose. Further, the

Association may levy, in any assessment year, a Special Assessment against groups of Lots if such Special Assessment is for Area Expenses or otherwise attributable exclusively or primarily to such group of Lots.

Section 6.6 Individual Assessments. The Association may also levy and collect from each Owner Individual Assessments against specific Lots, and shall have a lien therefor, should the special circumstances of any Lot or Lots require special maintenance, expense or costs to be incurred by the Association for the protection of any of the Properties, Lots, Areas of Association Responsibility or Common Areas or should the Association be required to perform maintenance or repair upon a Lot or take enforcement action hereunder. Such Individual Assessments may be levied by action of the Board.

Section 6.7 Area Assessments. Where the Association has undertaken, by virtue of its obligations hereunder, or pursuant to a Declaration of Annexation approved by Declarant, or pursuant to any special contract executed by the Association, the responsibility to maintain, repair, replace, repave, resurface or operate private streets or private roadways or any open space, recreational areas, common facilities, guard gates, or other Common Areas, the Board of Directors, if in its discretion determines that such area, areas, improvements or activities exclusively or disproportionately benefit the Owners of certain Lots or groups of Lots, may assess all (or such appropriate portion as the Board of Directors shall determine in its discretion) of the cost of such maintenance, repair, replacement, repaving, resurfacing, operation and, if applicable, ownership, solely against the Lots and Owners within such area or grouping as an Area Assessment.

Area Assessments shall be assessed uniformly against each of the Lots and Owners within such area and shall be secured by the lien for assessments as described herein. Such additional Area Assessment may also include amounts to establish and fund reserves as the Board of Directors may deem reasonable and appropriate.

One of the purposes of the Area Assessment is to establish a mechanism whereby various facilities intended and designed solely or primarily for use by or benefit of the Owners of Lots within a particular area may be owned and maintained by the Association at the sole or primary expense of such Owners, rather than to require formation of a separate association to undertake such ownership and maintenance, or to require all Owners to share in such costs.

An Area Assessment pursuant to this Section shall be due and payable by such Owners to the Association at the same time as the Annual Assessments are due and payable.

Section 6.8 Assessments by Master Association. All assessments provided in this Declaration shall be in addition to those charged and levied by the Master Association. Each Owner shall pay when due all assessments, charges, fines, penalties and other sums due to the Master Association on account of such Owner's Lot, or the actions and omissions of such Owner or its guests, tenants or invitees.

Section 6.9 Notice and Quorum for an Action. Written notice of any meeting called for the purpose of taking action authorized under Section 6.4 (C) and Section 6.5 shall be sent to all Members not less than thirty (30) days nor more than fifty (50) days in advance of the

meeting. At the first such meeting called, the presence of Members or absentee ballots, or to the extent allowed by law, proxies, entitled to cast sixty percent (60%) of the votes of each Class of Membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than fifty (50) days following the preceding meeting.

Section 6.10 Uniform Rate of Assessment; Declarant and Developer Exempt. Both Annual and Special Assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis. However, and subject to the limitations set forth in Section 6.4(B) hereof, said uniform rate may be revised periodically to reflect revisions in the Annual Assessments based on actual operating costs of the Association. Nothing herein shall limit or impair the provisions of Section 6.7.

Notwithstanding anything to the contrary herein, neither Declarant nor Developer shall be responsible for payment of any assessments established pursuant to this Declaration or the Articles or Bylaws, except that Declarant and Developer shall pay assessments on Completed Lots owned by Declarant or Developer. For purposes of this Section 6.10 "Completed Lots" shall mean any Lot with a Dwelling Unit ready for occupancy as a home that is in the condition of any other Dwelling Unit sold to Persons living in the Properties (e.g., carpet, kitchen countertops and cabinets, plumbing and lighting fixtures, etc., installed), but shall not include any Lots with improvements thereon used by Declarant or Developer as models or sales offices.

In consideration for Declarant's and each Developer's exemption from assessments as provided herein, Declarant and each Developer shall pay, for any given period in which Declarant and such Developer have paid or contributed to the Association less than the full Annual Assessment for each Lot owned by them, the actual shortfall or deficiency, if any, in necessary ordinary operating revenue to pay current ordinary expenses for the operation and maintenance of the Association and Common Area (i.e., only for actual budget deficits), but only in accordance with the terms hereof, and only up to the full Annual Assessment for each such Lot actually owned by Declarant or such Developer in the Properties. A shortfall or deficiency shall exist if current ordinary and budgeted expenses of the Association are greater than the revenues of the Association from all sources for the period in question; provided, however, that Declarant and any such Developer shall not be liable for any shortfall or deficiency created by any decrease in the amounts of the Annual Assessments from those charged during any prior year, which decrease was not approved by Declarant, nor for any shortfall or deficiency incurred after expiration of the Class B Membership.

Although Declarant and Developer may contribute to the expenses of the Association and the maintenance of the Common Area, it is understood that Declarant and Developer are not and shall not be held liable for the payment of any assessments provided for in this Declaration or Bylaws by virtue of the ownership of Lots within the Properties unless such ownership is of Completed Lots as herein defined, and that their failure to pay said assessments shall not give rise to any right of imposing any lien or encumbrance upon Lots owned by either of them as security for the payment of said assessment unless Declarant or Developer has failed to pay said assessments on Completed Lots as herein defined.

Section 6.11 Date of Commencement of Annual Assessments: Due Dates. The Annual Assessments provided for herein shall commence as to all Lots on the first day of the month following the recordation of this Declaration. The first Annual Assessment shall be adjusted according to the number of months remaining in the calendar year. The Board thereafter shall fix the amount of the Annual Assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the Annual Assessment shall be sent to every Owner subject thereto in the event of its increase or decrease from the last Annual Assessment. The due dates shall be established by the Board.

The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of the assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 6.12 Effect of Non-Payment of Assessments: Remedies of the Association. Each Owner agrees to the payment of interest and costs and to the collection and enforcement of the assessments in the manner herein specified.

(A) Interest and Costs. All delinquent assessments shall bear interest at ten percent (10%) per annum (but not to exceed the maximum rate permitted by Arizona law) from and after a date that is thirty (30) days after the date the assessment was due. Late payments shall first be credited toward unpaid principal, and then toward interest due. In the event the Association employs an attorney for collection of any assessments, whether by suit or otherwise, or to enforce compliance with or specific performance of the terms and conditions of this Declaration, or for any other purpose in connection with the breach of this Declaration, each Owner agrees to pay reasonable attorneys' fees and costs thereby incurred, in addition to any other amounts due or any other relief or remedy obtained against said Owner.

(B) Enforcement. In the event of a default in payment of any such assessment when due, in which case the assessment shall be deemed delinquent, and in addition to any other remedies herein or by law provided, the Association may enforce each such obligation in the manner provided by law or in equity, or without any limitation to the foregoing, by either or both of the following procedures.

1. Enforcement of Personal Obligation. The Board may cause a suit at law to be commenced and maintained in the name of the Association against an Owner to enforce each such assessment obligation. Any judgment rendered in any such action shall include the amount of the delinquency, together with interest thereon from the date of delinquency until paid, court costs, and reasonable attorneys' fees in such amount as the Court may adjudge against the delinquent Owner or Member.

2. Enforcement of Lien. As provided in Section 6.1 above, all assessments, plus interest and costs connected therewith, shall be a continuing lien upon the Lot assessed. Such lien shall be deemed to have attached as of the date of recordation hereof and shall be senior to all matters other than tax liens for real property taxes on the Lot, assessments on the Lot in favor of any municipal or other governmental assessing unit, reservations in patents, and the lien of any First Mortgage.

(a) Notice and Claim of Lien. At any time after occurrence of any default in the payment of any such assessment, the Association, or any authorized representative may, but shall not be required to, make a written demand for payment by the defaulting Owner. Said demand shall state the date and amount of delinquency. Each default shall constitute a separate basis for demand but any number of defaults may be included within a single demand. The Association may, whether or not such a written demand is first made, file and record a claim of lien on behalf of the Association against the Lot of the defaulting Owner. Such a claim of lien may be executed and acknowledged by any officer of the Association, recorded in the office of the County Recorder of Pima County, and may contain substantially the following information:

- i. The name of the delinquent Owner;
- ii. The legal description of the Lot against which claim of lien is made;
- iii. The total amount claimed to be due and owing for the amount of the delinquency, interest thereon, collection costs, and reasonable attorneys' fees (with any proper offset allowed);
- iv. A statement that the claim of lien is made by the Association pursuant to this Declaration; and
- v. A statement that a lien is claimed against said Lot in an amount equal to the amount stated; and
- vi. A statement that the claim of lien will also extend to all assessments which became due but are not paid from the date of the recording of the claim of lien to the date of payment of all amounts set forth therein (including interest thereon, reasonable attorneys' fees, costs and collection), and that the claim of lien will only be deemed satisfied and released when the Owner is current in the payment of all such amounts.

(b) Foreclosure of Lien. Any such lien may be foreclosed by appropriate action in court or in the manner provided by law for the foreclosure of a realty mortgage or trust deed as set forth by the laws of the State of Arizona, as the same may be changed or amended. The lien provided for herein shall be in favor of the Association and shall be for the benefit of all other Owners. The Association shall have the power to bid in at any foreclosure sale and to purchase, acquire, hold, lease, mortgage, and convey any Lot. In the event such foreclosure is by action in court, reasonable attorneys' fees, court costs, title search fees, interest and all other costs and expenses shall be allowed to the extent permitted by law. Each owner hereby expressly waives any objection to the enforcement and foreclosure of this lien. Notwithstanding the foregoing, the failure by an Owner to pay assessments provided for herein shall not constitute a default under any federally insured mortgage.

Section 6.13 Transfer Fee. Each purchaser of a Lot, other than Declarant and a Developer, shall pay to the Association immediately upon becoming the Owner of the Lot a transfer fee in such reasonable amount as is established from time to time by the Board to compensate the Association for the administrative cost resulting from the transfer of the Lot. The transfer fee is not intended to compensate the Association for the costs incurred in the preparation of the statement that the Association may be required to mail or deliver to a purchaser under A.R.S. § 33-1806(A) and, therefore, the transfer fee shall be in addition to the fee that the Association is entitled to charge pursuant to A.R.S. § 33-1806(C).

Section 6.14 Reserve Account Funding. In addition to the transfer fee described in section 6.12, each purchaser of a Lot following construction of a residence on such Lot shall pay to the Association at the time of the purchase an amount equal to three (3) months' worth of Annual Assessments. All amounts paid pursuant to this Section 6.14 shall be paid by the Association into a reserve account to fund future major repairs and replacements. The Declarant and the Association may take such payments into account when determining the amounts to be funded to reserves from other Association funds. Nothing in this Section 6.14 shall be construed as prohibiting or mandating the Association making additional payments into reserve accounts from other Association funds. Payments made pursuant to this Section 6.14 do not apply toward payment of Annual Assessments and constitute a separate obligation. Notwithstanding anything to the contrary contained in this Declaration, this Section 6.14 shall not apply to transfers to Declarant or a Developer.

Section 6.15 Working Capital. To ensure that the Association shall have adequate funds to meet its expenses or to purchase necessary equipment and services, each purchaser of a Lot, other than Declarant and Developer, upon which the construction of improvements is complete, as evidenced by a certificate of occupancy or similar instrument which allows the Lot to be used as a residence, shall pay to the Association immediately upon becoming the Owner of a Lot a sum equal to three (3) months' worth of Annual Assessments applicable to such Lot (a "**Working Capital Fund Contribution**"). A Working Capital Fund Contribution shall continue to be payable upon each subsequent sale of a Lot so improved, other than to Declarant or Developer. Funds paid to the Association as a Working Capital Fund Contribution may be used by the Association for payment of operating expenses or any other purpose permitted under this Declaration. Payments made pursuant to this Section shall be nonrefundable and shall not be considered as advance payment of any Assessments levied by the Association pursuant to this Declaration.

Section 6.16 No Exemption of Owner. No Owner is exempt from liability for payment of assessments by waiver of the use of enjoyment of Areas of Association Responsibility, Common Area or by abandonment of a Lot.

Section 6.17 Savings Clause. Notwithstanding the provisions of this Article, or any other provision of this Declaration, the extent of any lien of the Association shall be subject to such provisions as are established at law or in equity, including such limitations as are established and imposed by A.R.S. § 33-1807.

**ARTICLE 7  
MORTGAGEE PROTECTIONS**

Section 7.1 Mortgage Protection. Notwithstanding and prevailing over any other provisions of this Declaration, or the Association's Articles or Bylaws, or the Rules, the provisions in this Article shall apply to and benefit each First Mortgagee of a Lot.

Section 7.2 Subordination of Assessment Lien to First Mortgages; Sale or Transfer of Lots. The lien of the assessments provided for herein, including without limitation any fees, costs, late charges, or interest which may be levied by the Association in connection with unpaid assessments, shall be subordinate to the lien of any First Mortgage. Sale or transfer of any Lot pursuant to foreclosure of any such First Mortgage or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture of such executory land sales contract, shall extinguish the lien of assessments or charges which became due prior to any such sale or transfer, or foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture of any such executory land sales contract; provided, however, that any such delinquent assessments or charges, including interest, late charges, costs, and reasonable attorneys' fees, which are extinguished as provided herein, may be reallocated and assessed to all Lots as a common expense. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, nor cancellation or forfeiture of such executory land sales contract, shall relieve any Owner of a Lot from liability for any assessments or charges thereafter becoming due, nor from the lien thereof. In the event of foreclosure of a First Mortgage or the taking of a deed in lieu thereof, such First Mortgagee shall not be liable for unpaid assessments or other charges which accrued prior to the acquisition of title to the Lot in question by such First Mortgagee.

Section 7.3 Liability for Assessments and Other Charges.

(A) First Mortgagees shall not in any case or manner prior to acquiring title to a Lot be personally liable for the payment of any assessment or charge, nor for the observance or performance of any covenant, restriction, regulation, Rule, Article or Bylaw, except for those matters which are enforceable by injunctive or other equitable actions, not requiring the payment of money, nor shall a First Mortgagee be liable for any violation of the Restrictions that occurred prior to such First Mortgagee acquiring title.

(B) At such time as the First Mortgagee shall become record Owner of a Lot, said First Mortgagee shall be subject to all of the terms, conditions and Restrictions of this Declaration, including but not limited to the obligation to pay for all assessments and charges accruing thereafter, in the same manner as any Owner.

Section 7.4 Right to Exercise Rights of Owner. During the pendency of any proceeding to foreclose the First Mortgage, including any period of redemption, the First Mortgagee (or receiver appointed in such action) may, but need not, exercise any or all of the rights and privileges of the Owner of the mortgaged Lot, including but not limited to, the right to vote as a Member of the Association to the exclusion of the Owner's exercise of such rights and privileges.

Section 7.5 Right to Pay Charges on Common Area. First Mortgagees are hereby granted the right to jointly, or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common Area owned by the Association, and such First Mortgagees may, jointly or singly, pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy for such Common Area and any First Mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

Section 7.6 Priority. Nothing in this Declaration shall in any manner be deemed to give a Lot Owner, or any other party, priority over any rights of a First Mortgagee of a Lot pursuant to the terms of such First Mortgagee's mortgage in the case of a distribution to an Owner of insurance proceeds or condemnation awards.

Section 7.7 Notification Rights. Each First Mortgagee shall, upon specific written request to the Association identifying the name and address of the First Mortgagee, and the Lot number or address of the Lot encumbered by its mortgage, be entitled to receive:

(A) Written notification from the Association of any default in the performance by the Owner of a Lot encumbered by the Mortgage in favor of such First Mortgagee of any obligation under this Declaration or under the Articles, Bylaws, or Rules of the Association which is not cured within sixty (60) days.

(B) An annual financial statement of the Association within ninety (90) days following the end of any fiscal year of the Association.

(C) Written notice of all meetings of members of the Association.

(D) Written notice of any condemnation loss or casualty loss affecting a material portion of the Properties.

(E) Written notice of any lapse, cancellation or material modification of any insurance policy or fidelity bond.

## ARTICLE 8 EASEMENTS AND COMMON WALLS

Section 8.1 Utility Easements. In addition to those specific easements shown on the Plat, there is hereby created a blanket easement upon, across, over and under all portions of the Properties (including Lots and Common Areas) for ingress, egress, installation, replacing, repairing and maintaining all utility and service lines and systems, including, but not limited to, water, sewer, gas, telephone, electricity, television cable or communications lines and systems, etc. By virtue of this easement, it shall be expressly permissible for the providing utility or service company to install and maintain facilities and equipment on the Properties and to affix and maintain wire, circuits and conduits on, in, and under the roofs and walls of Dwelling Units and any other structures or improvements on the Properties. Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, water lines, or other utilities or service lines may be installed or relocated on the Properties, except as initially designed and installed by Declarant, by a Developer with the written approval of Declarant or thereafter

approved by the Architectural Control Committee. This easement shall in no way affect any other recorded easements on the Properties. In no event shall any portion of the above mentioned easements for utilities be constructed to authorize the placing or installing of sewers, electrical lines, water lines or other utilities under any permanent building structure constructed on the Properties. There shall be an access easement for the delivery and collection of the U.S. Mail over all portions of the Properties.

Section 8.2 Inspection Easement. There is hereby created, in favor of the City, an easement over the Common Area for the purpose of inspecting any drainage and detention/retention facilities therein and for operating, maintaining, repairing and replacing same.

Section 8.3 Easement for Walls and Other Improvements. Declarant or with the written approval of Declarant, a Developer, may construct improvements, including but not limited to, driveways, walkways, yard walls, exterior lighting (metered to a particular Dwelling Unit), drainage structures, etc., as a part of, or for the use of, a particular Dwelling Unit, which may encroach upon or encompass portions of the Common Area or adjacent Lots. Wherever such an encroachment should occur, the Owner of the Dwelling Unit benefited by the encroachment shall have, subject to the conditions hereinafter set forth, a perpetual permanent easement for such encroachment.

In consideration thereof, each Owner agrees to maintain and keep in repair any improvements encroaching upon the Common Area or adjacent Lots which were constructed for the use of that Owner's Lot.

Section 8.4 Electrical Service and Telephone Lines. All electrical service and telephone lines shall be placed underground and no outside electrical lines shall be placed overhead, except existing overhead lines; provided that no provisions hereof shall prohibit the erection of temporary power or telephone structures incident to construction.

Section 8.5 Pedestrian/Utility Easement. If any Lot is encumbered by a pedestrian or utility easement as shown on the Plat for the benefit of pedestrians or for the installation and placement of utilities, then by accepting a deed to such Lot, the Owner acknowledges and consents to such easement.

Section 8.6 Drainage Easements; Slope Easements. The Association is hereby granted an easement upon, across, over and under any private drainage or slope easements shown on the Plat, and upon all other areas of the Lots upon which Declarant or Developer may have installed drainage, retention or detention facilities, including riprap areas and similar areas and facilities which are incident to, or used in connection with, drainage improvement or facilities installed by Declarant or by Developer. During initial construction of improvements upon the Properties, and so long as the Declarant Control Period exists, Declarant and Developer shall also have the right to use and benefit from such easements. Such easements shall permit entry and work by the Association, or by Declarant or Developer, in order to protect and maintain adjacent streets, and otherwise to maintain all such easements, and to construct, repair or maintain any structure thereon, and to install, place, replace and maintain landscaping thereon, and control the use thereof, all as the Association may deem appropriate. Notwithstanding the foregoing, the

easements within the Lots which are shown on the Plat as being for slope and drainage purposes, shall be deemed abandoned and relinquished as to those portions of such platted easements upon which improvements other than drainage related improvements have been approved by Declarant or by the Architectural Control Committee (such as portions of a Dwelling Unit or garage, driveways, yard walls and like improvements necessitating a limitation of slope or drainage easements). No Owner may in any way alter or change the drainage patterns or drainage related improvements initially installed by Declarant or by Developer on any Lot, including swales, riprapping, pipe or culvert installations, and other improvements, regardless of whether such improvements lie inside or outside the slope and drainage easements shown on the Plat, unless such alterations or changes have first been approved by Declarant, Developer or the Association.

Section 8.7 Common Walls. The rights and duties of Owners with respect to common walls or fences shall be as follows:

(A) Each wall, including patio walls and fences, which is constructed as a part of the original construction of the Dwelling Unit, any part of which is placed on, adjacent to, or over the dividing line between separate Dwelling Units, shall constitute a common wall. Each Owner consents to the use and construction of such common walls and acknowledges that portions of the Properties may contain common walls. With respect to any such wall, each of the adjoining Dwelling Unit Owners shall assume the burden of and be entitled to the benefits recited in this Section and to the extent not inconsistent herewith, the general rules of law regarding common walls shall be applied thereto.

(B) The Owners of contiguous Dwelling Units who have a common wall shall have reciprocal easements for support and an equal right to use such wall provided that such use by one Owner does not interfere with the use and enjoyment of same by the other Owner.

(C) Unless other provisions of this Section are applicable, the costs of reasonable repair and maintenance of a common wall shall be shared equally by the Owners who make use of the common wall in proportion to such use.

(D) In the event any common wall is damaged or destroyed through the act of one adjoining Owner, or any of his guests or agents or members of his family so as to deprive the other Owner of the full use and enjoyment of such wall, then the first of such Owners, if required under local law, shall forthwith proceed to rebuild and repair the same to as good condition as formerly without cost to the other Owner.

(E) In the event any common wall is damaged or destroyed by some cause other than the act of one of the adjoining Owners, his agents, guests or family (including ordinary wear and tear and deterioration from lapse of time), then in such event, both such adjoining Owners shall, if required under local law, proceed forthwith to rebuild or repair the same to as good condition as formerly at their joint and equal expense.

(F) Notwithstanding anything to the contrary herein contained, there shall be no impairment of the structural integrity of any common wall (other than by Developer or Declarant) without prior consent of the adjoining Owner.

(G) In the event of a dispute between Owners with respect to the repair or rebuilding of a common wall or with respect to the sharing of cost thereof, then upon written request of one of such Owners delivered to the Association, the matter shall be heard and determined by the Board, except that neither the Declarant nor the Developer shall be subject to this provision. The Declarant and Developer may modify a common wall without any consent or approval whatsoever.

## ARTICLE 9 ARCHITECTURAL CONTROL COMMITTEE

Section 9.1 Composition of Committee. An Architectural Control Committee shall be appointed, which committee shall consist of three (3) or more persons appointed by Declarant. After expiration of the Class B Membership, and after expiration of the Period of Declarant Control, however, the Board of Directors shall appoint the members of the Architectural Control Committee. All appointments shall be without a meeting and without a vote or election of Members. Declarant may at any time relinquish its right of appointment. A majority of the Architectural Control Committee may designate a representative to act for it. Pursuant to the provisions of A.R.S. § 33-1817(B)(1), the Architectural Control Committee shall at all times include at least one (1) member of the Board of Directors shall serve as the chairperson of the Architectural Control Committee.

Section 9.2 Review by Committee. No Dwelling Unit, structure, improvement, (including but not limited to any building, fence, wall, driveway or other surfaced area), or any attachment to an existing structure, shall be made, placed or constructed upon any Lot or the Properties (except by the Association upon the Common Area); no change of the exterior of a Dwelling Unit, structure, or improvement shall be made; no change in the final grade of any Lot shall be made; no change in exterior lighting shall be made; and no landscaping shall be installed or changed (except that plant materials may be installed in enclosed rear yards without cause for concern, provided that they do not overhang the yard walls and are not visible from the street), unless complete plans and specifications (including a construction schedule) showing the nature, design, kind, quality, shape, height, materials, color scheme and location of any such Dwelling Unit, improvement, structure, attachment, or landscaping, shall have first been submitted to and approved in writing by the Architectural Control Committee. In addition, to the extent required by the Master Declaration, all such and similar actions shall also require the approval of the master architectural control committee. The Architectural Control Committee shall exercise its best judgment to the end that all Dwelling Units, attachments, improvements, construction, landscaping and alterations to structures on lands located within the Properties (collectively referred to herein as "**Architectural Improvements**") conform to and harmonize with the existing surroundings and structures. Decisions of the Architectural Control Committee shall be binding and conclusive, subject to the terms and provisions of the Master Declaration.

Notwithstanding the foregoing, neither Declarant nor Developer shall be required to submit any plans or specifications whatsoever to the Architectural Control Committee, nor shall any consent or approval of the Architectural Control Committee be required for the construction of any improvements by the Declarant or Developer; provided that no waiver of the architectural submittal and approval requirements of the Master Declaration shall be effective unless such waiver shall have been approved in accordance with the provisions of the Master Declaration.

Section 9.3 Procedures. The Architectural Control Committee shall approve or disapprove all plans within thirty (30) days after submission and issuance by the Association of a receipt therefor. In the event the Architectural Control Committee fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval shall be deemed denied, except that the party submitting the plans may resubmit the plans and if no response is given for a period of thirty (30) days after a written request by certified mail for a decision, approval shall be deemed given. Such deemed approval of a resubmitted request shall only apply if the resubmitted request specifies that no action had been taken by the Architectural Control Committee pursuant to a prior request for approval. The Architectural Control Committee may establish its own rules amplifying or supplementing the foregoing procedures. The Architectural Control Committee may from time to time, without notice, establish, add to, delete or amend separate standards, rules and procedures, which shall not be contrary to or inconsistent with these Restrictions, providing for or otherwise relating to the submission, processing, review and approval of plans and specifications for Architectural Improvements or various portions or stages thereof. The Architectural Control Committee shall not be bound by previous standards or interpretations of its standards; and any consent or approval of a prior set of plans and specifications shall not preclude disapproval of a subsequent identical or similar set of plans and specifications.

Section 9.4 Architectural and Design Guidelines. The Board of Directors shall either prepare or cause the preparation of architectural and design guidelines which shall consist of reasonable rules and guidelines that are consistent with the provisions of this Declaration, the Articles and Bylaws, relating to the standards for development, construction, alteration and repair within the Project, including, without limitation, architectural design, placement of buildings, landscaping, plant selection, color schemes, exterior finishes and materials, signage, wall design and similar matters, and shall also set forth reasonable rules, regulations and guidelines, consistent with the provisions of this Declaration, for the performance of the Architectural Control Committee duties, including procedures for the preparation, submission and determination of the application for any approvals required by this Declaration (the "**Architectural and Design Guidelines**"). From time to time and subject to the provisions of this Declaration, so long as the Declarant or a Developer appoints the members of the Architectural Control Committee in accordance with this Declaration, the Architectural Control Committee shall have the exclusive right to adopt, amend and repeal the Architectural and Design Guidelines and so long as the Board appoints the members of the Architectural Control Committee in accordance with this Declaration, the Board shall have the exclusive right to adopt, amend and repeal the Architectural and Design Guidelines; provided, however, that to the extent required in the Master Declaration, the Architectural and Design Guidelines shall not be modified or waived without the approval of the Declarant under the Master Declaration. Notwithstanding anything in this Declaration to the contrary, the Architectural and Design Guidelines shall be inapplicable to a Designated Builder constructing and maintaining Improvements in accordance with plans, materials and color schemes previously approved by the Architectural Control Committee if the Architectural and Design Guidelines differ from what the Architectural Control Committee previously approved for the Designated Builder. The authority granted herein to develop the Architectural and Design Guidelines and the power to enforce the Architectural and Design Guidelines are given for the purpose of ensuring that the Project is developed and used according to the general descriptions and intent as evidenced by this Declaration. Upon adoption, the Architectural and Design Guidelines shall be enforceable in the

same manner as this Declaration and shall have the same force and effect as if set forth in and a part of this Declaration. The Architectural Control Committee has the power to and is specifically responsible for: (i) the administration and enforcement of those provisions of this Declaration designated to be administered and enforced by the Architectural Control Committee; (ii) the administration and enforcement of the Architectural and Design Guidelines; and (iii) all other duties and obligations designated to the Architectural Control Committee by the Declaration, Articles, Bylaws or the Board. Administrative support as required by the Architectural Control Committee shall be provided by the Board. Copies of all Architectural and Design Guidelines as adopted or amended shall be available for inspection at the office of the Association during reasonable business hours.

Section 9.5 Vote. A majority vote of the Architectural Control Committee is required to approve a proposed change or improvement, unless the Architectural Control Committee has designated a representative to act for it, in which case the decision of the representative shall control.

Section 9.6 Liability. The Architectural Control Committee and the members thereof shall not be liable in damages to any Persons submitting requests for approval or to any Owner by reason of any action, failure to act, approval, disapproval or failure to approve or disapprove in regard to any matter within its jurisdiction hereunder.

Section 9.7 Variance. The Architectural Control Committee may grant reasonable variances or adjustments from any conditions and restrictions imposed by this Article, or any conditions and restrictions in Article 10 relating to construction of Architectural Improvements, in order to overcome practical difficulties and prevent unnecessary hardships arising by reason of the application of the Restrictions contained in this Article or such Restrictions in Article 10. Such variances or adjustments shall be granted only in case the granting thereof shall not be materially detrimental or injurious to the Properties and shall not militate against the general intent and purpose hereof.

Section 9.8 Nonconforming Architectural Improvements. In the event that the Architectural Improvements do not, upon the proposed date set forth in the construction schedule, conform to the plans submitted to and approved by the Architectural Control Committee, the Architectural Control Committee shall give written notice to the Owner of the property upon which such Architectural Improvements have been made. Such notice shall specify the nature of the nonconformity of the Architectural Improvements and shall grant the Owner a hearing before the Architectural Control Committee in accordance with the Bylaws.

If an Owner has not, within sixty (60) days of the mailing or delivery of the written notice, corrected the nonconformity of the Architectural Improvement, then the Architectural Control Committee shall have the right and an easement to direct its agents, employees or contractors to enter upon the said Owner's property for the purpose of making any or all of such improvements, alterations or repairs as are necessary to bring the Owner's Architectural Improvements into conformity with the plans submitted to and approved by the Architectural Control Committee.

All costs incurred by the Association in the course of the Architectural Control

Committee's efforts to bring the nonconforming Architectural Improvements into conformity with the approved plans as provided above, including costs of labor, materials and all associated administrative costs reasonably incurred by the Association in connection therewith, shall be added to and become part of the assessment to which such Owner's Lot is subject and shall become a lien on such Owner's Lot and the improvements thereon, and shall be enforceable and collected as provided for herein.

Section 9.9 Color and Building Materials. Without limiting the foregoing, no color changes nor any changes in the original building structure, composition or products shall be permitted without approval of the Architectural Control Committee.

Section 9.10 Broad Discretion of Architectural Control Committee. In reviewing plans for alterations, modifications, additions or other changes to a Dwelling Unit, improvement or structure upon a Lot, the Architectural Control Committee shall exercise its discretion in deciding whether or not an alteration or modification is in harmony with the Architectural and Design Guidelines and the overall scheme of subdivision development. The Architectural Control Committee shall have the right to deny alterations or modifications for purely aesthetic reasons if the Architectural Control Committee considers the alteration or modification to be unattractive in relation to the overall scheme of development, or if the Architectural Control Committee considers the alteration or modification to be a nuisance or upset of design, or if the Architectural Control Committee considers the alterations or modifications to be in contrast to or out of harmony with the style of existing structures, or if the physical views of the Properties will be disrupted by the alteration or modification. The Architectural Control Committee may elicit the opinion of other Owners, including the neighbors of the Owner submitting the plan for alteration or modification, as to the conformity and harmony of the proposed plan with the overall scheme of development, and the effect that the proposed plan might have on the physical views of other Owners. After eliciting these opinions, the Architectural Control Committee may, but need not, take them into account in making its final decision of approval or disapproval of an alteration or modification to an existing structure. While the opinion of no single Lot Owner will control a decision of the Architectural Control Committee, the Architectural Control Committee may, within its own discretion, but need not, attach whatever significance it deems sufficient to the statements of residents and/or neighbors of the Owner submitting the proposed alteration or Modifications to an existing structure.

Section 9.11 Fee. The Association may establish, and from time to time adjust, a reasonable processing fee to defer the costs of the Architectural Control Committee in considering any requests for approvals submitted to the Architectural Control Committee. The Association also may establish a fee schedule and amend such schedule from time to time, with respect to all or any portion or stage of the processing of plans and specifications as provided for in Section 9.3.

Section 9.12 Exemption; Reserved Rights. Notwithstanding the above, Declarant shall not be required to submit any plans to or obtain any consent whatsoever from the Architectural Control Committee for any improvements, structures or landscaping built, constructed, erected, modified or altered by Declarant on the Properties. Declarant may, by written assignment, assign any or all such privileges to a Developer. Further, in exercising its rights hereunder, Declarant, for so long as it owns any portion of the Properties or Annexable Property, may act, or

cause the Architectural Control Committee to act, in Declarant's interest and as Declarant determines abased upon its desires for the Properties.

## ARTICLE 10 USES AND RESTRICTIONS

All the Properties shall be held, used and enjoyed, subject to the following limitations and restrictions (in addition to all other provisions hereof):

Section 10.1 Plat Notes. In addition to the Restrictions contained herein, the Properties are subject to any restrictions and limitations set forth on the Plat, including, without limitation, any height and set-back restrictions.

Section 10.2 Reserved.

Section 10.3 Private Residential Purposes. Dwelling Units and Lots shall be occupied and used by the respective Owners solely for private single family residential use of the Owner, his family, tenants and social guests and for no other purpose. No manufactured, pre-fabricated or mobile homes shall be permitted. No gainful occupation, profession, trade or other non-residential use shall be conducted on the Properties, except that (a) Declarant or Developer may maintain sales offices, construction offices and sales models on the Properties, and (b) an Owner may carry on a "Home Occupation", as provided below.

"Home Occupation" as permitted by this Section 10.3 means private consultation and advice in trades and professions, and the sales or creation of art work, small wares and miscellaneous goods at a retail level, and includes consultation by professionals such as accountants, lawyers, and doctors, but no portion of the Properties nor any Dwelling Unit shall be used for the full-time general practice of any profession, nor as a lodge, regular club meeting place, religious institution, revivalist, cult or sect meeting place, nor may the interior of any Dwelling Unit be used for medical or surgical treatment or procedures.

An Owner or occupant residing in a Dwelling Unit may conduct a Home Occupation solely within the private confines of a Dwelling Unit so long as: a) the existence or operation of the business activity is not apparent from the outside of the Dwelling Unit, and no sound or smell from the outside of the Dwelling Unit indicating the conduct of business is detectable; b) the business activity conforms to all zoning requirements for the Properties; c) the business activity does not involve frequent or annoying traffic by persons coming on the Properties who do not reside in the Properties or door-to-door solicitation of residents of the Properties; and d) the business activity is consistent with the residential character of the Properties and does not constitute a nuisance or hazardous or offensive use, nor threaten the security or safety of other residents of the Properties.

No Home Occupation may involve heavy equipment or machinery, manufacturing, drilling, burning or conversion of any garage or carport into a business office or room.

No business conducted upon the Properties or in any Dwelling Unit by Persons other than the Declarant or its successors and assigns or the Developer, may result in any change to the exterior appearance of any Dwelling Unit or Lot, and no business conducted, except by the

Declarant or Developer, shall involve signs, buildings, or structures in addition to the Dwelling Unit.

The Board of Directors shall have the discretion to determine whether, in a particular case, the conduct of a Home Occupation violates the provisions hereof. If such determination is made, the Board of Directors shall have the authority to require that the Home Occupation in question cease immediately.

Sales offices, sales models and construction offices utilized by the Declarant or Developer on the Properties need not be owned by either Declarant or Developer. Further, sales models and sales offices may be utilized on the Properties as sales models and sales offices for the benefit of other subdivisions of Declarant or, with the prior written consent of Declarant, other subdivisions of Developer.

Section 10.4 Animals. No animals of any kind shall be raised, bred, or kept, except that a reasonable number of generally recognized house or yard pets may be kept, provided that they are not kept, bred or maintained for any commercial purpose. No animal shall be allowed to become a nuisance. A "reasonable number" as used in this Section shall ordinarily mean no more than two pets per household; provided, however, that the Architectural Control Committee may determine, in its sole and absolute discretion, whether a particular animal is a generally recognized house or yard pet or a nuisance, or whether the number of animals is reasonable.

Section 10.5 Trash Containers. No garbage or trash shall be placed or kept on any Lot within the Properties, except in covered containers of a type, size, and style which have been approved by the Architectural Control Committee, and containers shall at all times be hidden from view except on days of trash pick-up. All rubbish, trash or garbage shall be removed from the Lots and shall not be allowed to accumulate thereon. No incinerators shall be allowed.

Section 10.6 Backboards. No basketball backboards of any kind shall be erected or attached, by either a permanent or temporary method, to any Dwelling Unit unless approved by the Architectural Control Committee.

Section 10.7 Aerials. No television, radio, or other electronic towers, aerials, antennae, satellite dishes or device of any type for the reception or transmission of radio or television broadcasts or other means of communication shall hereafter be erected, constructed, placed or permitted to remain on any Lot or upon any improvements thereon, except that this prohibition shall not apply to those antennae specifically covered by 47 CFR Part 1, Subpart S, Section 1.4000 (or any successor provision) promulgated under the Telecommunications Act of 1996, as amended from time to time.

The Association shall be empowered to adopt rules governing the types of antennae that are permissible hereunder, and to establish reasonable, non-discriminatory restrictions relating to location and safety of antennae structures.

To the extent that reception of an acceptable signal would not be impaired, an antenna permissible pursuant to rules of the Association may only be installed in a side or rear yard location, not visible from the street or (when reasonably feasible) from neighboring property or integrated with the Dwelling Unit and surrounding landscaping to prevent or limit such visibility.

Antennae shall be installed in compliance with all applicable laws and regulations.

Section 10.8 Nuisances. After completion of construction of any Dwelling Units and landscaping of Lots, no rubbish or debris of any kind shall be placed or permitted thereon so as to render any such property or any portion thereof unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to its occupants. No loud or offensive noise, excessively glaring or bright lights, foul odors or other nuisance shall be permitted to exist or operate upon the Properties so as to be offensive or detrimental to its occupants. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devices, except security devices used exclusively for security purposes, shall be located, used or placed on any such property without the prior written approval of the Architectural Control Committee. The Architectural Control Committee, in its sole discretion, shall have the right to determine the existence of any such nuisance.

Section 10.9 Parking and Storage of Vehicles.

(A) General Rule. Any and all motor vehicles not prohibited by the provisions hereof shall be stored in a carport or garage, with the garage door shut, so as to conceal the same from view from adjoining property or from the street or public way, except that vehicles (other than recreational vehicles, commercial vehicles, motorhomes, campers, trailers, boats and similar vehicles, as provided below) may be parked upon the paved driveway surfaces of each Lot when there is insufficient room within an enclosed garage.

(B) Recreational and Commercial Vehicles. Parking or storing of recreational vehicles, commercial vehicles, motorhomes, campers, trailers, boats and similar vehicles is prohibited on all portions of the Properties (including during the Period of Declarant Control the public streets adjacent thereto), except that such vehicles may be parked within the confines of an enclosed structure which has been first approved by the Architectural Control Committee, in its sole and absolute discretion. Such vehicles may be parked on the parking area of an Owner's Lot, but only for short periods of time solely for purposes of loading or unloading.

The foregoing prohibition shall not apply to (1) pick-up trucks with no more than a 3/4 ton capacity with camper shells attached that are no more than seven feet in height as measured from ground level; or (2) non-commercial pick-up trucks larger than 3/4 ton capacity that the Architectural Control Committee finds to be substantially similar in size and appearance to smaller vehicles; so long as any such vehicles are used on a regular and recurring basis for regular transportation and are parked in accordance with the provisions of Section 10.9(A).

(C) Use of Recreational Vehicle as Living Quarters; Storage of Vehicles Under Repair. The use or occupancy of a recreational vehicle, motorhome, van, camper, trailer, or boat as living quarters on either a temporary or permanent basis is strictly prohibited on any portion of the Properties. At no time shall there be any outside storage of motor vehicles in stages of construction, reconstruction, modification or rebuilding of parts of motor vehicles such as frames, bodies, engines or other parts or accessories.

(D) Exceptions. Notwithstanding anything to the contrary in this Section 10.9 or otherwise contained herein, the Association shall not prohibit the parking of vehicles protected

by A.R.S. § 33-1809. Further, The Board of Directors shall have the right and power to adopt rules and regulations governing and further restricting the parking of motor vehicles on Lots or the adjacent streets, implementing the provisions of this Section, and establishing certain exceptions that may in certain cases be warranted. In the event of any conflict or inconsistency between the provisions of this Section and the rules and regulations adopted by the Board, the provisions of this Section shall control.

This regulations and restrictions of this Section are subject to the provisions of A.R.S. § 33-1818. This Section shall not prohibit the parking of vehicles protected by A.R.S. § 33-1809, nor shall this Section prohibit parking in streets for special functions such as parties, weddings or other functions when temporary visitor parking is not available on individual Lots.

Section 10.10 Diseases and Insects. No owner shall permit anything or condition to exist upon any property which shall induce, breed or harbor infectious plant diseases or noxious insects.

Section 10.11 Drainage. There shall be no interference with the established drainage pattern over any property unless approved by Declarant, Developer or by the Architectural Control Committee or unless adequate provision is made for proper drainage conforming to applicable City and County rules, regulations, ordinances, and drainage criteria. For purposes hereof, "established drainage" is defined as the drainage which exists at the time the overall grading of the Properties is completed, or which is established as individual Lots are graded and improved, or which is shown on any plans conforming to applicable rules, regulations, ordinances, and applicable drainage criteria.

Without limitation upon the foregoing, certain drainage improvements, channels, swales, pipes and other improvements, potentially consisting of riprapping, rock, concrete or earthen swales, pipes and other improvements, may be constructed by Declarant, Developer or their agents or assigns upon the private Lots for the benefit of the Properties, or for the benefit of other Lots or Common Area, and, except as provided in Section 8.6 hereof, or as otherwise provided elsewhere herein, a perpetual easement shall be deemed to exist for the continued maintenance, use, repair and replacement of such improvements, including all such drainage patterns and channels, and such perpetual easement, except as provided herein, cannot be impeded, altered, amended or changed without the written consent of the Association, Declarant and Developer, except that after neither Declarant nor the Developer owns any Lot, only the consent of the Association shall be required. All duty of maintenance, repair and replacement of drainage facilities and drainage retention or detention basins initially built by Declarant or by the Developer shall, but only to the extent provided in Section 3.3 above, or to the extent located on Association Common Area, be maintained and repaired by the Association. Maintenance, repair and replacement of all other improvements and facilities, including drainage facilities, located upon the private Lots shall be the duty of the Owner thereof, and should an Owner fail properly to maintain, repair or replace such improvements, each benefited Owner, or the Association at its discretion, shall have the right to enter upon the Lot upon which the said improvements are located and may cause all corrective, restorative, reparative or other necessary work or repair to be conducted, all at reasonable times and upon reasonable notice (unless an emergency exists in which case no notice shall be required). All cost and expense so incurred by a benefited Owner or by the Association shall upon reasonable request supported by invoice or itemization be

reimbursed by the Owner of the Lot in question upon which such work was performed or required. In the case of work performed by the Association, the duty of an Owner to make reimbursement shall be supported by the right of the Association to levy an Individual Assessment.

Nothing in this Declaration shall in any way be construed to require that the Association maintain improvements such as driveways, patio walls, yards, portions of any Dwelling Unit or garage, or private landscaping inside the boundaries of any Lot, even if located within slope or drainage easement areas shown on the Plat inside such Lots, except that riprapping serving as slope stabilization or which defines or controls drainage features, and which was initially installed by Declarant or by Developer, shall be deemed a part of the responsibility of the Association incident to maintenance of drainage or retention and detention facilities.

Section 10.12 Modification of Exterior Wall. Unless approved by the Architectural Control Committee, no Owner shall alter or modify the exterior wall of a Dwelling Unit by cutting any opening in or placing any window of any kind in said exterior wall.

Section 10.13 Electrical Service and Telephone Lines. All electrical service and telephone lines shall be placed underground and no outside electrical lines shall be placed overhead; provided, however, that the Declarant shall not be prohibited from erecting temporary power or telephone structures incident to construction.

Section 10.14 Mailboxes. If the Architectural Control Committee has provided uniform mailbox designs in the course of original construction, then such designs, colors, lettering, and other features shall be maintained at all times.

Section 10.15 Temporary Structures, Mobile Homes, Etc. No manufactured, prefabricated home or mobile home shall be permitted or placed upon any Lot or anywhere else in the Properties. Except as hereinafter provided, no structure of a temporary character, including but not limited to a house trailer, tent, shack, temporary garage, or outbuilding shall be placed or erected upon any Lot, and no residence placed or erected upon any Lot shall be occupied in any manner at any time prior to its being fully completed, nor shall any residence when completed be in any manner occupied until made to comply with all requirements, conditions, and restrictions herein set forth; provided, however, that during the actual construction or alteration of a structure on any Lot, necessary temporary structures for storage of materials may be erected and maintained by the Person doing such work. The work of constructing, altering, or remodeling any structure on any part of any Lot shall be prosecuted diligently from the commencement thereof until the completion thereof. The provisions of this section shall not apply to the Declarant or Developer.

Section 10.16 Lots to be Maintained. Each Lot shall at all times be kept by the Owner in a clean, sightly, and wholesome condition. No trash, litter, junk, boxes, containers, bottles, cans, implements, machinery, lumber, or other building materials shall be permitted to remain exposed upon any Lot so that the same are visible from any neighboring Lot or street, except as necessary during the period of construction.

Section 10.17 Lots Not to be Subdivided. No Lot shall be subdivided or resubdivided, except by Declarant, or except for the purpose of combining portions of a Lot with an adjoining Lot with the consent of Declarant or the Board, provided that no additional building site is created thereby. Resubdivision by Declarant may result in additional Lots at its discretion.

Section 10.18 No Hazardous Activities. No activities shall be conducted on the Properties and on improvements constructed on the Properties which are or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon the Properties and no open fires shall be lighted or permitted on the Properties, except in a contained barbecue unit while attended and in use for cooking purposes or within a safe and well-designed interior fireplace or firepit, or except such campfires or picnic fires on property designated for such use by Declarant or Developer.

Section 10.19 Tanks. No tanks of any kind, either elevated or buried, shall be erected, placed, or permitted upon any Lot, except for propane or other tanks sold with and designed for outdoor residential gas grills, and a limited number of similar replacement tanks.

Section 10.20 Signs. No signs of whatever nature may be erected or placed within the Properties, except such signs as are permitted by the Architectural and Design Guidelines, and further except for those signs approved by the Board or by Declarant. Declarant may approve signs without any other consent or approval. The foregoing restriction shall not apply to signs required by legal proceedings or signs which may be permitted by law, or which may not be prohibited by private covenant, including certain political signs, public safety or public service emergency vehicle signs, and "for sale," "for lease" or "open house" signs that are protected by A.R.S. §33-441 or by §33-1808. Further, the Board may enact rules governing "for sale" or "for lease" signs, but only to the extent permitted by law.

Section 10.21 Derricks, Boring, Etc. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, placed or permitted upon any part of the Properties, nor shall any oil, natural gas, petroleum, asphaltum or hydrocarbon products or minerals of any kind be produced or extracted therefrom.

Section 10.22 Landscaping. All front and side yard landscaping shall conform to and be compatible with original landscaping installed by Declarant or Developer, and the restrictions in Section 10.27 below, and landscaping shall not be permitted to cause a nuisance. All front or side yard landscaping shall require the prior approval of the Architectural Control Committee, except for replacement of original landscaping installed by Declarant or Developer. Without limitation, no hedges, trees or other landscaping shall be permitted in front or side yards within fifteen feet of any front Lot line or corner Lot line unless installed by Developer or Declarant or approved by the Architectural Control Committee, or unless in replacement of similar landscaping installed by Developer or Declarant.

Section 10.23 Minimum Driveway Requirements. Driveways on all Lots shall be approved by the Architectural Control Committee.

Section 10.24 Renting. Subject to the provisions of this Declaration and the Association Rules, and pursuant to a written lease agreement, the entirety (but not less than all) of a Dwelling

Unit may from time to time be leased by the Owner to a single family tenant, provided that any lease is for a period of at least six (6) months. To the extent permitted by law, each Owner shall provide to the Association such leasing information concerning any such lease as is deemed important to the Association, but the Association must comply with the provisions of A.R.S. §33-1806.01. Any lease or rental agreement entered into between an Owner and a Tenant shall require compliance by the Tenant with all of the provisions contained in this Declaration, which provisions shall be for the express benefit of the Association and each Owner. Should a Tenant fail to so abide, the Association shall have the right to cause the Owner to declare a default under the lease and to take appropriate action, including eviction of the Tenant. To the extent permitted by law, Declarant shall have the right to limit or prohibit leasing activity for the initial two (2) year period after an Owner other than Declarant first purchases a Dwelling Unit upon a Lot.

Section 10.25 Solar Devices. No solar devices, of any type, shall be placed, erected or installed on any Lot without the approval of the Board or the Architectural Control Committee, which shall give due regard to applicable laws restricting the limitation of such devices, including, without limitation, A.R.S. § 33-1816.

Section 10.26 Insurance Rates. Nothing shall be done or kept on any Lot or Common Area which will increase the rate of insurance on such property nor shall anything be done or kept on or in any Dwelling Unit or Common Area which will result in the cancellation of insurance on any such property or which would be in violation of any law, unless expressly approved by the Architectural Control Committee.

Section 10.27 Soil Reports. The soils which underlie the foundation of homes within the Properties may have the potential for consolidation or swelling. No owner of all or any portion of any Lot shall maintain any kind of landscaping, irrigation or vegetation within four feet of any exterior wall or foundation of the residence built upon said Lot. Only indigenous desert plantings with a drip-type minimal water use system, shall be used in the area that is between 4 and 8 feet of any exterior wall or foundation.

No owner of all or any portion of any Lot shall maintain or cause to be maintained upon said lot a pattern of grading and drainage other than the original drainage and grading for said Lot, as established by the builder.

No owner of all or any portion of any Lot shall construct a swimming pool, Jacuzzi, whirlpool, or other like improvement ("**Subgrade Improvements**") without first making, or causing to be made, an independent determination that the soil conditions of the Lot is suitable for such improvements. Neither Declarant nor Developer have made any representation or warranties, express or implied, regarding the suitability of the soil upon any particular Lot for Subgrade Improvements, and therefore as between Declarant and Developer and the Owner, or any successor-in-interest thereto, the Owner assumes all liability and risk and shall hold harmless and indemnify Declarant and Developer for all liability and risk arising from, directly or indirectly, the construction of Subgrade Improvements upon the Lot.

Section 10.28 Right of Inspection. During reasonable hours, any member of the Board, or any authorized representative of the Board shall have the right upon reasonable notice to the Owner of a Dwelling Unit to enter upon and inspect the Lot (except the interior of Dwelling

Unit), for the purpose of ascertaining whether or not the provisions of this Declaration have been or are being complied with, and such persons shall not be deemed guilty of trespass by reason of such entry.

## ARTICLE 11 DISPUTE RESOLUTION

### Section 11.1 Approval of Association Action.

(A) Except as provided in this ARTICLE 11, the Association may not commence a legal proceeding or an action within the purview of Section 11.1(B) without the approval of at least two-thirds (2/3rds) of the total Class A votes entitled to be cast by the Members. This ARTICLE 11 shall not apply, however, to: (i) actions brought by the Association to enforce the Governing Documents (including, without limitation, the foreclosure of liens); (ii) the imposition and collection of assessments; (iii) proceedings involving challenges to ad valorem taxation; or (iv) counterclaims brought by the Association in proceedings instituted against it.

(B) Prior to the Association or any Member commencing any proceeding to which Declarant or Developer or an affiliate of Declarant or Developer (or any beneficiary thereof), is a party, including but not limited to an alleged defect of any Dwelling Unit or other improvement, Declarant shall have the right to be heard by the Members, or the particular Member, and to access, inspect, correct the condition of, or redesign any portion of any improvement as to which a defect is alleged or otherwise correct the alleged dispute.

Section 11.2 Alternative Method for Resolving Disputes. Declarant, its beneficiaries, Developer, and any affiliate of Declarant or Developer, and their beneficiaries, members, partners, officers, directors employees and agents; the Association, its officers, directors and committee members; all Persons subject to this Declaration, including all Owners and Members of the Association; and any Person not otherwise subject to this Declaration but who agrees to submit to this ARTICLE 11 (each such entity being referred to as a “Bound Party”) agree to encourage the amicable resolution of disputes, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees to submit those claims, grievances or disputes described in Section 11.3 (singularly, “Claim,” and collectively, “Claims”) to the procedures set forth in Section 11.4.

Section 11.3 Claims. Unless specifically exempted below, all claims between any of the Bound Parties regardless of how the same might have arisen or on what it might be based including but not limited to, claims (a) arising out of or relating to the interpretation, application or enforcement of this Declaration or other Governing Documents or the rights, obligations and duties of any Bound Party under the Governing Documents; (b) relating to the design or construction of the Dwelling Units or any other improvements; or (c) based upon any statements, representations, promises, warranties, or other communications made by or on behalf of any Bound Party, shall be subject to the provisions of Section 11.4.

Notwithstanding the above, unless all parties thereto otherwise agree, the following shall not be Claims and subject to the provisions of Section 11.4:

(A) Any action by the Association against any Bound Part to enforce the provisions hereof pertaining to assessments, fines or charges;

(B) Any action by the Association or Declarant to obtain a temporary restraining order or injunction (or equivalent emergency equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to act under and enforce the provisions hereof;

(C) Any action between or among Owners, which does not include Declarant or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Governing Documents; and

(D) Any action in which any indispensable party is not a Bound Party.

Without the consent of all parties hereto, any of the above identified actions in this Section 11.3 may be submitted to the alternative dispute resolution procedures set forth herein.

Section 11.4 Mandatory Procedures.

(A) Notice. Any Bound Party having a Claim ("**Claimant**") against any other Bound Party ("**Respondent**") (the Claimant and Respondent referred to herein individually as a "**Party**" or, collectively, as the "**Parties**") shall notify each Respondent in writing (the "Notice"), stating plainly and concisely:

1. The nature of the Claim, including the Persons involved and Respondent's role in the Claim;
2. The legal basis of the Claim (i.e., the specific authority out of which the Claim arises);
3. The proposed remedy; and
4. The fact that Claimant will meet with Respondent to discuss in good faith ways to resolve the Claim.

(B) Negotiation. After Notice has been given as required by Section 11.4(A):

1. The Parties shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the Parties in negotiation.

2. If the Parties do not resolve the Claim within thirty (30) days after the date of the Notice (or within such other period as may be agreed upon by the Parties) (the "**Termination of Negotiations**"), Claimant shall, if it wishes to pursue the Claim, pursue same solely by arbitration as set forth below.

(C) Binding Arbitration. Claimant shall, if it elects to pursue its Claim, initiate arbitration of the Claim under the auspices of the American Arbitration Association (“AAA”) in accordance with the AAA's most applicable rules for arbitration, as determined by AAA. Such Claims shall not be decided by or in a court of law. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Claim. If the claimed amount exceeds \$250,000, the dispute shall be heard and determined by three arbitrators. Otherwise, unless mutually agreed to by the Parties, there shall be one arbitrator. Arbitrators shall have expertise in the area(s) of dispute, which may include legal expertise if legal issues are involved.

The award of the arbitrator(s) shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a Party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both Parties.

(D) No Class Assertion. All Bound Parties agree that, to the extent permitted by law, claims against the other may be asserted only on an individual basis and not as a member of any purported class or representative action or collective proceeding. The arbitrator(s) may not consolidate or join claims regarding more than one property and may not otherwise preside over any form of a consolidated, representative, or class proceeding. Also, the arbitrator(s) may award relief (including monetary, injunctive, and declaratory relief) only in favor of the individual party seeking relief and only to the extent necessary to provide relief necessitated by that party's individual claim(s). Any relief awarded cannot be awarded on class-wide or mass-party basis or otherwise affect parties who are not a party to the arbitration. Nothing in the foregoing prevents Declarant or its affiliates from exercising its right to include in the mediation and arbitration those persons or entities who are necessary or proper as provided above.

(E) Conflicts. In the event that a separate binding arbitration agreement exists by and between an Owner and Declarant, governing arbitration of disputes between such parties, then in the event of a conflict between such separate agreement and the provisions hereof, the separate agreement shall control so long as the essential intent hereof is met.

(F) Amendment of Article; Severability. Without the express prior written consent of Declarant, this ARTICLE 11 may not be amended for a period of twenty (20) years after the effective date of this Declaration. The provisions of this ARTICLE 11 shall be deemed severable, and should any portion be declared unenforceable by any court of competent jurisdiction, the remaining provisions shall be unaffected.

## ARTICLE 12 GENERAL PROVISIONS

Section 12.1 Term. This Declaration, as from time to time amended as provided below, shall remain in full force and effect for a period of twenty (20) years from the date of recordation thereof and shall thereafter be deemed to have been renewed and automatically extended for successive periods of ten (10) years each, subject to repeal at any time by the written consent of the Owners of at least seventy-five (75%) percent of the Lots.

Section 12.2 Amendments; Termination.

(A) By Declarant. In addition to specific amendment rights granted elsewhere in this Declaration, so long as the Class B Membership exists, Declarant may amend this Declaration for any purpose, and without the consent or approval of any Owners or Members, or any other Person, regardless of whether any such amendment is uniform in nature, and such amendments may change or impact the provisions hereof regarding voting rights, assessments and use restrictions.

At such time as the Class B Membership is no longer in existence, so long as Declarant owns a single Lot Declarant may of its own volition, and without the consent or approval of any Owners or Members, or any other Person, amend this Declaration for any purpose whatsoever, including: (i) to bring any provision hereof into compliance with applicable law; (ii) to satisfy the requirements of any governmental agency; (iii) to correct any error or ambiguity or to further the intent or purposes hereof by expanding upon the existing provisions hereof; or (iv) to make any other amendment, change or revision the Declarant in its sole discretion deems property.

(B) By the Association. Except as otherwise provided herein, this Declaration may be amended only by an instrument in writing, signed and acknowledged by the President and Secretary of the Association, certifying that such Amendment has been approved by the vote or written consent of the then Owners, including Declarant and Developer, of not less than seventy-five percent (75%) of the total Class A and Class B votes allocable to the Lots within the Properties. Such amendment shall be effective upon its recordation with the Pima County Recorder, Pima County, Arizona.

(C) Amendments Necessary for FHA Compliance, Etc. Notwithstanding anything to the contrary contained in this Declaration, if Declarant shall determine that any amendments to this Declaration or any amendments to the Articles or Bylaws of the Association shall be necessary in order for existing or future mortgages, deeds of trust, or other security instruments to be acceptable to the Veterans Administration, the Federal Housing Administration of the U.S. Department of Housing and Urban Development, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, then, subject to Section 10.01 above, Declarant shall have and hereby specifically reserves the right and power to unilaterally make and execute any such amendments without obtaining the approval of any other Owners, Members, or First Mortgagees.

(D) Declarant Approval. So long as Declarant owns a single Lot, any amendment or termination proposed shall first be submitted to Declarant for approval and, should Declarant refuse to approve such amendment, such amendment or termination shall be null and void. Without limitation, no amendment to Section 12.3 or Section 12.4 hereof shall be permitted without the written consent of Declarant.

(E) Master Declarant Approval. To the extent required in the Master Declaration, any amendment to this Declaration shall require the approval of the "Declarant" in the Master Declaration.

(F) Non-Uniform Amendments. No amendment shall be invalid solely because it affects property within the Properties in a non-uniform manner.

Section 12.3 Annexation of Annexable Property.

Declarant may, in its sole discretion, at any time and from time to time up to the date that is twenty-five (25) years after the date that this Declaration is recorded, annex to the Properties and under the Declaration any Annexable Property which is owned or controlled by Declarant and not yet annexed or made a portion of the Properties in accordance with the provisions hereof or which Declarant has made a decision to annex with the written consent of the owner thereof. To effect such annexation, a Declaration of Annexation covering the Annexable Property (or the applicable portion or portions thereof) shall be executed and recorded by Declarant and the owner of such Annexable Property if other than Declarant. No other consent or approval shall be required of any annexation undertaken by Declarant pursuant to Declarant's right of annexation herein set forth.

The recordation of such Declaration of Annexation shall constitute and effectuate the annexation of the Annexable Property (or the applicable portion or portions thereof) described therein as of the date of recordation or such later date, if any, as may be set forth in such Declaration of Annexation, making such Annexable Property (or the applicable portion or portions thereof) and the Owners and the occupants thereof subject to this Declaration and the jurisdiction of the Association as of the date of recordation or such later date, if any, as may be set forth in such Declaration of Annexation. In addition to the foregoing, and notwithstanding any decision not to annex the Annexable Property or any portion thereof, Declarant may grant easements for ingress, egress, utilities, and other purposes of the benefit of such Annexable Property, all on terms deemed by Declarant to be reasonable, and easements shall be deemed reserved over and across all streets and roads in favor of any land not annexed.

A Declaration of Annexation may contain such complementary additions to and modifications of this Declaration as may be necessary to reflect the different character, if any, of the Annexable Property (or the applicable portion or portions thereof).

Section 12.4 De-Annexation.

Declarant may, in its sole discretion, at any time and from time to time up to the date which is twenty-five (25) years after the date this Declaration is recorded, de-annex or withdraw from the Properties any portion or portions thereof (subject to the written consent of the owner of the portion or portions to be de-annexed or withdrawn, if other than Declarant); provided that any such de-annexation or withdrawal shall not affect the application of the Master Declaration upon such portion of the Properties so de-annexed or withdrawn.

To effect such de-annexation or withdrawal, Declarant shall execute and record a Declaration of De-Annexation setting forth the legal description of the portion or portions of the Properties to be de-annexed or withdrawn, and such Declaration shall be executed by the Declarant and the Owner of the land to be withdrawn. The land to be withdrawn may include any portion of the Properties, Lots, and/or Common Area. Recording such Declaration of De-Annexation shall constitute and effectuate the de-annexation and withdrawal of the applicable

portion or portions of the Properties described therein, and such property and the Owners and occupants thereof shall no longer be subject to this Declaration or the jurisdiction of the Association. Notwithstanding the preceding sentence, except as otherwise provided in the applicable Declaration of De-Annexation, de-annexation or withdrawal of any portion or portions of the Properties will not be effective until the owner of the property to be de-annexed or withdrawn has paid all unpaid Assessments applicable to such property (unless exempt), prorated to the date of de-annexation or withdrawal.

It is specifically understood that this right of de-annexation or withdrawal may be exercised in Declarant's sole and absolute discretion, and that once de-annexed or withdrawn, none of the provisions hereof shall apply to or encumber the land. Further, the Class B Member may cause the Association to grant and convey such easements as may be necessary to benefit such land de-annexed or withdrawn, including easements for ingress, egress, and utilities, all on terms, if any, deemed by them to be proper.

The provisions of this Section may not be amended without the written approval of Declarant, or such other Person to whom Declarant has assigned its rights with respect to this Section 12.4.

Section 12.5 Enforcement and Non-Waiver.

(A) Enforcement. Except as otherwise provided herein, the Association or any Owner shall have the right to enforce by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens or charges or Rules now or hereafter imposed by provision of this Declaration. In addition, the Master Association shall have the right to enforce the provisions of this Declaration to the extent permitted by the Master Declaration.

(B) Violation of Rules. If any Owner, his family or any licensee, tenant or lessee or invitee violates the restrictions of this Declaration or the Association's Rules, the Board may, in addition to any other enforcement provisions contained herein, suspend the right of such Person to use the Common Area, under such conditions as the Board may specify, for a period not to exceed sixty (60) days for each violation. Each day an infraction continues is a separate violation. Before invoking any such suspension, the Board shall give such Person notice of hearing before the Board.

Further, the Association shall have the authority to bring an action at law or in equity to enforce any of the provisions and Restrictions of this Declaration. Expenses of enforcement, in the event the Association is a substantially prevailing party, shall be paid to the Association by the Owner against whom enforcement action was commenced. The Association shall have the right to enter upon the Lot of any Owner for the purpose of repairing, modifying, or demolishing improvements which are not in conformance with the provisions of this Declaration and all expenses incurred in connection therewith shall be paid to the Association by the Owner in violation.

(C) Violation of Law. Each and every provision of this Declaration and any amendment hereto shall be subject to all applicable governmental ordinances and subdivision regulations and any future amendments thereto. Any violation of any state, municipal or local

law, ordinance or regulation pertaining to the ownership, occupation or use of any of the Properties is hereby declared to be a violation of this Declaration and subject to any or all of the enforcement procedures set forth herein or in the Bylaws.

(D) Remedies Cumulative. Each remedy provided herein is cumulative and not exclusive.

(E) Non-Waiver. Failure by the Declarant, the Developer, the Board, the Association, the Architectural Control Committee, or by any Owner to enforce any of the provisions hereof at any time shall not constitute a waiver of the right thereafter to enforce any of such provisions.

(F) Severability. Invalidation of any one of these covenants or restrictions by judgment, court order, or waiver, shall not affect the enforceability of any other provisions which shall remain in full force and effect.

#### Section 12.6 Construction.

(A) Interpretation. The provisions of this Declaration shall be liberally construed to effectuate the purpose of creating a uniform plan for the development and operation of the Properties. Except for judicial construction, Declarant shall have the exclusive right to construe and interpret this Declaration and the provisions and Restrictions herein. In the absence of any adjudication to the contrary by a court of competent jurisdiction, Declarant's construction or interpretation of the provisions and Restrictions in this Declaration shall be final, conclusive and binding upon all Persons and the Properties.

(B) Restrictions Severable. Notwithstanding any other provision hereof, each of the provisions of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity of any provision or portion thereof shall not affect the validity or enforceability of any other provision.

(C) References to Restrictions. Any and all instruments of conveyance or lease of any interest in any Lot or the Properties may contain reference to this Declaration and shall be subject to the Restrictions in this Declaration the same as if they were therein set forth in full; provided that the Restrictions herein shall be binding upon all Persons affected by the same, whether express reference is made to this Declaration or not.

(D) Rule Against Perpetuities. In the event the provisions hereunder are declared void by a Court of competent jurisdiction by reason of the period of time herein stated for which the same shall be effective, then in that event said periods of time shall be reduced to a period of time which shall not violate the rule against perpetuities as set forth in the laws of the State of Arizona.

(E) Singular Includes Plural; Gender. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine or neuter shall each include the masculine, feminine and neuter.

(F) Captions. All captions and titles used in this Declaration are intended solely for convenience or reference purposes only and in no way define, limit or describe the true intent and meaning of the provisions hereof.

Section 12.7 Exemption of Declarant. Nothing in this Declaration shall limit the right of Declarant to complete excavation, grading and construction of improvements to any portion of the Properties, including Common Area, or to construct such additional improvements as Declarant deems advisable in the course of development of the Properties so long as any Lot therein remains unsold. In addition, if or to the extent Declarant has waived in writing the application of such provisions to Developer, this Declaration shall not limit rights of Developer referenced in the preceding sentence. Further, nothing in this Article shall limit the right of a Developer or Declarant to use any structure as a sales model, sales office or construction office or parking area, or of Declarant to place any sign, banner, flag or similar method of advertisement to promote sales within the Properties or subdivisions of Declarant. Without limitation, the Declarant and Developer may maintain sales, administrative and construction offices on any Lot within the Properties and may maintain parking areas and parking lots on any Lot or Common Area within the Properties. The rights of Declarant hereunder or elsewhere in this Declaration may be assigned by Declarant in whole or in part, and shall in each case inure to the benefit of Developer.
